I received your letter the other day + so I'm
writing you a letter about it. I'm 86 yrs old
+ not a very good writer, but that's not what
I'm writing about. I have some ground on the
hillside + don't use any water from the creek.
You I charged me 40.00 for water - I don't
think I have to pay anything for my water.
We have 2 wells + that's about all we use.
I think you better look into it. Send a
man down + see for himself. O.K. Let me
know, please. Jay Bush
