"In connection with the District Court Decree for the County of Lemhi

Defendant, decreeing the waters of Carmen Creek.

The Decree cites under question 1, 2, 3 and several other rights that
waters were transferred from Carmen Creek to Salmon River which refers
to an agreement which recites as follows: "1. That the right and title
of the Plaintiff, David McNutt in and to 200 inches of the waters of
Carmen Creek in Lemhi County, Idaho is here quieted his right thereto
dating from May 1st, 1875, and he is hereby adjudged to be the owner

therein and thereto, which they have under and by virtue of the terms
and conditions of the written agreement on file herein, executed and
entered into by and between said plaintiffs and said defendants and
cross-complaints relative to the delivery to said plaintiffs of water
from Salmon River for the irrigation of their farms. And said David
