RE: Water District 45-A, Basin Creek

Dear Mr. Wells;

As you have been elected as watermaster of your district for this water year, an oath of office is enclosed for your signature. Once we receive your notarized oath, a certificate of appointment will be issued. A daily-record book is enclosed for your review and use if you so desire. The books are a handy way to record your daily water deliveries, but are not required; let me know if you need more. Whatever delivery records you keep during the year need to be turned in with your watermaster's report at the end of the irrigation season.

Regards,

James E. Stanton  
Sr. Water Resource Agent
