Lost River Electric Coop will not give us a current list of who paid the demand charges.
The names here are from two old lists the Water District has on file.

Blue marker with a red dot is a well location.

File (WD-34-04.tpg) also contains IDWR Tag number and name of owner or manager.

I asked Topo to hid this information on map printouts.

The Water Master of Basin 34 or IDWR may obtain a copy of (WD-34-04.tpg) on 3.5 inch floppy upon request. Call Ronald Sorensen (208) 221-1133 or write 2555 N. 3520 W., Moore, Idaho, 83255.

File (WD-34-04.tpg) is not complete. It currently contains 153 well suites.
