If the Water District has a computer and access to the internet, you can print all the required forms at the Department's website. These forms can be accessed with any browser, provided Adobe Acrobat is installed on the computer, at the following address:

http://www.idwr.idaho.gov/WaterManagement/WaterDistricts/default.htm

The forms are located in the lower left corner under the heading "Watermaster Report Forms." If you have difficulty locating this, please contact one of our staff and we can assist you.

Alternatively, if the Water District has access to e-mail the Department can also send these forms electronically.

Some advantages of utilizing the Department's online resources to print water district forms:

- Districts that require more than one form to accommodate all of their users can print multiple forms.
- Districts can print their forms at their will and do not need to wait for the Department to send them.

Please fill out this questionnaire and return it in the addressed, stamped envelope.
