RE: Water District 57B 2016 Annual Meeting Minutes and Watermaster Certificate of Appointment

Dear Mr. Hipwell and Mr. White:

IDWR has received the minutes from the 2016 Annual Meeting for Water District 57B, held January 6, 2016. Thank you for sending the minutes in and filling out the checklist. One purpose of the checklist is to ensure all water districts (not just yours) address the items required by statute at the annual meetings. It appears from the minutes that your water district did not adopt a budget for 2016 and it did not set the date, time, and place for the 2017 annual meeting. The purpose of this letter is to provide you notice that IDWR will assume the district has adopted a budget of \$0 for 2016 and that you will hold the 2017 annual meeting at Bill White's residence (18138 Oreana Loop Rd) on January 11, 2017 at 1:00pm. We will send a verification request to you approximately two months prior to that date and you can let us know if the meeting must be held at another date, time, or place.

I have also enclosed Mr. Hipwell's appointment certificate for the 2017 season and a copy for Mr. White's records. Please let me know if I can be of assistance to you this season.

Sincerely,

Nick Miller

Manager, IDWR Western Region
