

Minutes of Oxford Water District 13-R
Annual Water Meeting February 20, 2016

RECEIVED
AUG 05 2016
Department of Water Resources
Eastern Region

Those in attendance: Clark Cox, Zac Cox, Nola Garner, Casey Fisher, Angela Fisher, Ron Malouf, Curt Roberts

Clark Cox reviewed the minutes from last year's water meeting and they were approved and seconded.

Discussed the cleaning of ditches. Once the water reaches the point of diversion it becomes the water shareholders responsibility to clean their ditch. Last year the Ditch that runs through the town of Oxford was cleaned, made deeper and wider to prevent any flooding from the spring thaw.

The account balance as of January 1, 2016 is \$3950.01. Expenses were discussed for the past year and they were approved by Nola Garner.

Clark Cox was nominated as Water master and seconded by Nola Garner

Ditch riders were nominated and are as follows:

North Ditch Kay Baker seconded by Ron Malouf

South Ditch Benny Kendall seconded by Nola Garner

Bar-Z Claire Hatch seconded by Casey Fisher

The idea of piping the water from below gravel pit to down into the town of Oxford to pressurize the system and conserve water was discussed. Clark Cox said that he would check into that. Also talked about how it may be an option for some in the town or Oxford to drill culinary wells. Example Ron Malouf, Casey Fisher

Maps have been requested of the water system and where the water comes from, Nola Garner, Ron Malouf and Casey Fisher.

The budget and water fees will remain the same and was seconded by Nola Garner.

Water Master \$500.00

North Ditch \$75.00

South Ditch \$75.00

Bar-Z \$50.00

Meeting was then motioned to adjourn by Clark Cox and seconded by Zac Cox.

ALL WATER FEES ARE DUE BY MAY 1st
