

July 31, 2003

To: Department of Water Resources
From: Gordon Sylte

RECEIVED
AUG 01 2003
IDWR/North

Effective as of today, please activate Dan Parks as Water Master of Twin Lakes Water District.

The amount of water I am now receiving is not adequate to satisfy my water right.

In addition, I am concerned about the present condition of the lake level and the late summer forecast.

A handwritten signature in blue ink, appearing to read "Gordon Sylte". The signature is written in a cursive, flowing style.
