Rachel,
I have attached the Annual Meeting information for Water District No. 65
I went through the address list and made some changes. I made a separate sheet to list my changes and added a reference number beside the item where I made a change. I apologize the numbering on the original sheet did not end up in chronological order, but the lines with a number have a corresponding reference number on the additional page. I added three new names as well. The lined out names can be removed.

Please call if you have any questions.

Thanks,

Ron Shurtleff
