Dear Water District Secretary or Watermaster,

Enclosed are several documents related to the annual water district meeting.

- 1) **Information form to provide the Idaho Department of Water Resources (IDWR) the date, time, and location of the next annual water district meeting.** Please complete the meeting information form and return it to IDWR. Upon receipt of the completed form, IDWR will send a meeting notice to each water user and interested party in the district. Meeting notices must be mailed no later than three weeks before to the meeting date. Therefore, to provide IDWR adequate time to create and mail the notices, please **return the completed form to IDWR as soon as possible or at least four weeks before the meeting dates.**
- 2) **List of water right owners within your district.** Look over the list and mark any name or address changes or additions. An accurate review of the list will ensure all users and interested parties are informed of the meeting. Return the corrected list with the completed meeting information form.
- 3) **Annual Meeting Checklist.** Per Idaho Code Title 42 Chapter 6 (Distribution of Water Among Appropriators), annual water district meetings must include (at a minimum) the actions outlined on the checklist. Fill out this form during the meeting and return with the meeting minutes or ensure your meeting minutes describe each of these actions.

If you are no longer the water district secretary or watermaster, please forward this to the current secretary or watermaster or return this correspondence to IDWR as soon as possible.

If you or water users have any questions or concerns about the annual water district meeting or ownership/address changes, please contact Chad Jones at (208)334-2190 or chad.jones@idwr.idaho.gov.

Sincerely,

Chad Jones
