Hi Christina,

E.e.

Water District 74 have been looking for an assistant for the water master. Several people showed interest but when it came down to interviews everyone had an excuse not to show up. Except one girl Lacie French. She was interviewed by 5 board members and it was decided to give her a try on a trial basis. You will find her information enclosed.

If you have any questions give me a call.

Also note that; my email address has changed. If you could publish it to everyone at both regions I would appreciate it. Thanks
