Shirley,

Attached is a draft of your WD65K annual meeting notice. Could **you please review and reply that the notice looks good** so Chad Jones can print and mail the notice.

In the next few days, Chad will also need to get a copy of your meeting documents that you want to be shared on our website. When you have the meeting documents together, please email them to Chad.

Please let me know if you have any questions.

Subject: Host WD65K Zoom Meeting

Nick,

I spoke with Shirley Florence today from Water District 65K. She was receptive to the idea of using Zoom as a virtual platform for their annual meeting as there are some concerns about more than 10 people possibly attending. She was reaching out to others in the district today to confirm a few things but we should hear back from her very soon.

Would you or one of your staff be able to host a Zoom meeting for the WD65K annual meeting? I assume it was Chad that put the date and time of their meeting on our web site as Monday 3/1/2021 at 1:00 PM. Kellie and the state office Zoom account are already booked that day for the WD34 annual meeting that

starts at 2:00 PM. If you can do it, will you please book the meeting and send me the Zoom info required for the notice? I will put together a draft notice for Shirley and get it back to Chad asap for him to print and mail. Shirley said they will utilize our website to post their documents so she will be sending Chad the documents soon also.

Thanks,

Steve Visosky

Got it Chad. Thank you. My other email always gets typed in wrong. It is jflorence@citlink.net. People always put in an "i" after "cit". But you can just use this gmail one for future reference. Can you tell me what others are doing for meetings? We normally do not have more than 10 people at our meetings but I understand we still need to be prepped in case we do. Plus have a way for others to attend if they chose not to do so in person. Any suggestions would be greatly appreciated.

Thanks,

Shirley.
