

No. 2037.

APPLICATION FOR PERMIT

To appropriate the Public Waters of the State of Idaho.

1. Name of applicant - WILLIAM C. DAVIS

Postoffice address: P. O. - Soda Springs

County Bannock.

2. The quantity of water claimed is one (1) cubic foot per second.

3. Source of water supply - Porritt Spring

County of Bannock

4. Location of point of diversion - S. W. corner SE4 SW4 Sec. 22; Tp. 9 S., R. 41 E.

5. To be used for:

I. Irrigation and domestic use:

(a) Number of acres to be irrigated - Sixty (60) acres.

(b) In the following legal subdivisions - SW4 SE4 Sec. 22 and SW4 SW4

Sec. 23, Tp. 9 S., R. 41 E.

6. Estimated cost of works - \$100.00

7. Description of Works for Diversion:

I. Kind of works - Dam, Reservoir and Ditch.

II. Dimensions of Works:

(a) Height of dam three feet, length of dam at top fifty (50) feet,

length of dam at bottom thirty (30) feet, material used in construction earth.

(b) Capacity of reservoir four (4) acre-feet.

(c) Size of headgate, width one (1) foot, height five (5) feet.

(d) Ditch (flume or pipe) width at bottom one (1) foot, width at water

line one (1) foot, depth of water one-third foot. Average grade per

mile is 200 feet. Length of ditch is one-half mile, and it crosses

the following quarter sections - SW4 SE4 Sec. 22 and SW4 SW4 Sec. 23

Tp. 9 S., R. 41 E., to above described land, which is the point of

intended use.

8. Time required for the completion of the construction of such work is one (1) year.

9. Time required for the complete application of the water to the proposed use is two (2) years.

Approval of State Engineer.

The number of this permit is 1480

Date of first receipt of application 9 a. m. August 5, 1905.

Recorded in Book 5, page 1480. Approved August 5, 1905.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Idaho and hereby grant the same, subject to the following limitations and conditions:

Work to begin on or before October 4, 1905, and to continue diligently and

uninterruptedly to completion, unless temporarily interrupted by circumstances over which permit holder has no control.

One-fifth of the work above specified to be completed on or before February 5, 1906.

The whole of said work to be completed on or before August 5, 1906.

The time for the proof of beneficial use of water appropriated in accordance herewith, be extended to August 5, 1908.

Witness my hand this 5 day of August, 1905.

Jas. Stephenson, Jr.

State Engineer.

Blank Notice of Proof of Completion of Works mailed applicant May 1, 1906.

Notice of Proof of Completion of Works received May 14, 1906, fixing

August 4th as the date and Soda Springs as the place of proof.

Notice for publication mailed Soda Springs Chieftain, Soda Springs, Idaho, June 30, 1906, and deposition blanks mailed applicant same date.

Mr. C. M. Wilson, Soda Springs, Idaho, authorized June 30th to make examination of works and report to the State Engineer.

Fee of \$5.00, affidavit of publication of notice, and depositions received

August 6, 1906.

Depositions and report show that works have been constructed of sufficient capacity to divert and convey to the place of intended use the amount of water for which application was made.

Certificate of Completion of Works issued August 23, 1906.

Permit No. 1480

C E R T I F I C A T E O F C O M P L E T I O N O F W O R K S

To All Whom It May Concern:

This is to certify that WILLIAM C. DAVIS of Soda Springs, County of Bannock, and State of Idaho, the holder of Permit No. 1480, issued upon Application No. 2037, bearing date of priority of August 5, 1905, authorizing the diversion of one second-foot of the waters of Porritt Spring, County of Bannock, State of Idaho, at Southwest corner of SW $\frac{1}{4}$ of Section 22, Township 9 South, Range 41 East of Boise Meridian, for irrigation and domestic purposes, has fully complied with the provisions of the laws of the State of Idaho relating to the proof of completion of the works of diversion set out and described in said Permit, that said works are adequate for diverting and conveying to the place of intended use one second-foot of water, and that the lands proposed to be irrigated by the use of said water are described as follows, to-wit: SW $\frac{1}{4}$ of Section 22, and SW $\frac{1}{4}$ of SW $\frac{1}{4}$ of Section 23, Township 9 South, Range 41 East of Boise Meridian.

Witness my hand this twenty-third day of August, A. D. 1906.

Dear Sirs:--

I inclose herewith No. 1480 in the name of
William C. Davis, Soda Springs, Idaho.

Yours truly,

State Engineer.

1480

INSTRUCTIONS.

William C. Davis, **PROOF OF COMPLETION OF WORKS.**

Boise, Idaho, May 1, 1906.

DEAR SIR:

I enclose herewith the following forms to be used in connection with Proof of Completion of Works under your Permit No. **1480**

NOTICE OF PROOF OF COMPLETION OF WORKS.

~~DEPOSITION OF PERMIT HOLDER.~~

~~DEPOSITIONS OF TWO WITNESSES.~~

In submitting this proof the following instructions should be CAREFULLY followed out; since failure to do so may result in the loss of your rights.

1. Fill out the Notice of Proof of Completion of Works and mail to the State Engineer's office at least sixty days before the date upon which you wish to submit proof, which proof must be on or before August 5, 06. Upon receipt of this form, notice for publication will be sent to the paper direct from this office.

2. On ~~the date set for the proof of completion of works~~, the enclosed deposition forms (one for permit holder and one each for two witnesses) should be filled out and sworn to, at ~~before someone authorized to administer oaths~~. (The proof may be at a place most convenient to permit holder and witnesses.)

3. To complete the proof, it is also necessary that an examination be made of the works as constructed, which examination must be under the authority of the State Engineer. It is the desire to make this expense as light as possible to the permit holder. Will you therefore give me the name of a competent engineer, or surveyor, in your neighborhood who could do this work with as little expense as possible to you. Upon receipt of such a name I will authorize him to do the work. The examination should be made on or before the date set for the proof.

4. When the ~~depositions~~ have been taken, they should be mailed to this office, together with affidavit of publication of notice and fee of \$~~_____~~. When these have been received, together with report of examining engineer, if everything is properly executed, Certificate of Completion of Works will issue.

Yours truly,

JAS. STEPHENSON, JR.,

State Engineer.

1480

Notice of Proof of Completion of Works.

(This blank must be filled out by holder of permit and forwarded by registered mail to the State Engineer at least 60 days before the time set for completion of works.)

(P. O.) Box 106 Soda Springs Idaho
(Date) 11th May 1906.

To the State Engineer of the State of Idaho, Boise, Idaho.

Dear Sir:

Notice is hereby given that at 10 A.M. on the 4th day of August 1906, at Soda Springs County of Bannock State of Idaho, before Herbert Horsley, Notary Public proof will be submitted of the completion of works for the diversion of one cubic ^{foot} feet per second of the waters of Pocotts Spring in accordance with the terms and conditions of a certain permit heretofore issued by the State Engineer of the State of Idaho.

1. The name of the person or corporation holding said permit is

William C Davis

2. The postoffice address of such person or the place of business of such corporation is

Soda Springs, County of Bannock, State of Idaho.

3. The number of such permit is 1480, and the date set for the completion of such work is August 5, 1906

4. Said water is to be used for Irrigation & Domestic purposes.

5. Said works of diversion will be fully completed on the date set for such completion, and the amount of water which said works are capable of conducting to the place of intended use, in accordance with the plans accompanying the application for such permit, is one cubic feet per second.

6. The amount of lands for which said water is available is Sixty

acres, particularly described as follows:

SE⁴, SE⁴ Sec 22 and SW⁴, SW⁴ Sec 23. Tp. 9. S. R. 4 E.

(In case of all canals or other works designed to divert and carry more than 50 cubic feet of water per second, the following certificate must be signed by a well known and competent engineer.)

I hereby certify that the facts set forth in the above notice are true.

Engineer.

I desire that the above notice be published, according to law, in the Soda Springs Chieftain of Soda Springs, published in the county in which said works are situated; the expense of which publication will be borne by

William C. Davis

Dear Sir,

With regard to my Permit No. 1480.

I herewith enclose Form filled in for notice
of Proof of Completion of Works on August 4th
1906. The 5th being on Sunday.

I suggest the name of C. B. Wilson,
Soda Springs as a competent Engineer.

Yours truly

William C. Davis

NOTICE OF PUBLICATION

Notice is hereby given that at 10 A.M., on the 4th day of August
1906 at Soda Springs County of Bannock State of Idaho,
Herbert Hensley, Notary Public proof will be submitted of the completion of works for the
 diversion of one cubic feet per second of the waters of Porritt Spring

in accordance with the terms and conditions of a certain permit
 heretofore issued by the State Engineer of the State of Idaho.

1. The name of the person or corporation holding said permit is William C. Davis

2. The postoffice address of such person or the place of business of such corporation is Soda Springs
 County of Bannock State of Idaho.

3. The number of such permit is 1480, and the date set for the completion of such work is
August 3, 1906

4. Said water to be used for irrigation and domestic purposes.

5. Said works of diversion will be fully completed on the date set for such completion, and the amount of water
 which said works are capable of conducting to the place of intended use, in accordance with the plans accompanying the
 application for such permit, is one cubic feet per second.

6. The amount of lands for which said water is available is sixty acres,
 particularly described as follows: SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 22, and SW $\frac{1}{4}$ of SW $\frac{1}{4}$
of Section 23, Tp. 9 S., R. 41 E.

Jas. Stephenson, Jr.

1480

State Engineer.

Boise, Idaho, June 30, 1906.

Soda Springs Chieftain

Soda Springs, Idaho.

Dear Sirs:—

Enclosed find Notice of Publication of Proof of Completion of Works under Permit No. 1480 which please publish once a week for four consecutive weeks in your paper, in accordance with provisions of Section 4, House Bill No. 146, laws of the Seventh Session of the Legislature. The expense of this publication will be paid by William O. Davis, to whom you will please furnish proof of publication of this notice on or before August 4, 1906.

Please promptly acknowledge receipt of this notice, and kindly mail me your first issue containing its publication that I may compare it with my records.

Yours truly,

Jas. Stephenson, Jr.

State Engineer.

(Place)

(Date)

State Engineer,

Boise, Idaho.

Dear Sir:—

I have your letter of _____, enclosing Notice of Completion of Works under Permit No. 1480, which will be published as you request, beginning with our issue of _____

1480

Boise, Idaho, June 30, 1906.

C. B. Wilson,

Soda Springs, Idaho.

DEAR SIR:

The holder of Permit No. 1480, William C. Davis, residing at Soda Springs, which permit authorizes the diversion of one second-feet of the waters of Parritt Spring at _____, desire to make proof of the completion of works of diversion, at _____, on August 4, 1906.

Will you therefore please arrange with the holder of said permit for an examination of the works of diversion, ascertain whether or not they comply fully with the terms of said permit, and render me a report on the condition of such works before the date fixed for said proof of completion, in accordance with the provisions of Sections 4 and 5 of House Bill No. 146, passed by the Seventh Session of the Legislature, approved March 11, 1903.

Your report should be of sufficient detail to enable me to figure out the amount of water the works are capable of diverting and conveying to the place of use; giving also the description of the location of the point of diversion, and, in case of irrigation, the legal description of the land to be irrigated.

Will you also make a map on the enclosed plat, giving all the essential features of the works, such as point of diversion, route of ditch, place of use, etc.

You should also arrange with the holder of said permit for the payment of your fee for this service and such proper expenses as you will incur in making this examination and report.

Please advise me promptly of your receipt of this communication, and whether or not you will be able to make the examination and report requested.

Yours truly,

JAS. STEPHENSON, JR.,

State Engineer.

INSTRUCTIONS.

W.C.Davis, PROOF OF COMPLETION OF WORKS.

DEAR SIR:

Boise, Idaho, June 30, 1906.

I enclose herewith the following forms to be used in connection with Proof of Completion of Works under your Permit No. 1480

~~NOTICE OF PROOF OF COMPLETION OF WORKS.~~

DEPOSITION OF PERMIT HOLDER.

DEPOSITIONS OF TWO WITNESSES.

In submitting this proof the following instructions should be CAREFULLY followed out; since failure to do so may result in the loss of your rights.

1. Fill out the Notice of Proof of Completion of Works and mail to the State Engineer's office at least sixty days before the date upon which you wish to submit proof, which proof must be on or before August 4, 1906. Upon receipt of this form, notice for publication will be sent to the paper direct from this office.

2. On August 4, 1906, the date set for the proof of completion of works, the enclosed deposition forms (one for permit holder and one each for two witnesses) should be filled out and sworn to, at Soda Springs before H. Horsley, before someone authorized to administer oaths. (The proof may be at a place most convenient to permit holder and witnesses.)

3. To complete the proof, it is also necessary that an examination be made of the works as constructed, which examination must be under the authority of the State Engineer. It is the desire to make this expense as light as possible to the permit holder. Will you therefore give me the name of a competent engineer, or surveyor, in your neighborhood who could do this work with as little expense as possible to you. Upon receipt of such a name I will authorize him to do the work. The examination should be made on or before the date set for the proof.

4. When the depositions have been taken, they should be mailed to this office, together with affidavit of publication of notice and fee of \$ 5.00. When these have been received, together with report of examining engineer, if everything is properly executed, Certificate of Completion of Works will issue.

Yours truly,

1480

ENGINEERING DEPARTMENT
BOISE

JAS. STEPHENSON, JR.,
ENGINEER

Boise, Idaho, May 1, 1908.

William C. Davis,
Soda Springs, Idaho

Dear Sir:

I enclose herewith blank Notice of Proof of Application of Water to Beneficial Use under your permit No. 1480 which kindly fill out and return to me at least 60 days before the date upon which you wish to submit proof. The date of the proof is set out in your permit, and if proof is submitted subsequent to that your priority will be advanced a time equal to the difference of the time between the date proof should have been submitted and the date it is submitted.

Yours truly,

JAS. STEPHENSON, Jr., 1480
State Engineer.

Permit No. 1480

Notice of Proof of Application of Water to Beneficial Use

(This blank must be filled out by holder of permit and forwarded to the State Engineer at least 60 days before the time set for application of water.)

(P. O.) Soda Springs, Idaho
(Date) May 4, 1908

TO THE STATE ENGINEER OF THE STATE OF IDAHO, BOISE, IDAHO:

DEAR SIR: Notice is hereby given that at 10 A. M. on the 5 day of August 1908, at Alexander County of Bennech State of Idaho, before J. T. Budrow (Notary Public) proof will be submitted of the application to beneficial use of one cubic foot per second of the waters of Porritt Spring, in accordance with the terms and conditions of Permit No. 1480

heretofore issued by the State Engineer of the State of Idaho.

- The name and postoffice address of the person or corporation holding said permit are William C. Davis, Soda Springs, Idaho
- The use to which said water has been applied is Irrigation & Domestic
- The amount applied to beneficial use is One Cubic foot per second
- The place where said water is used is (if for irrigation, give full and accurate description of the lands irrigated) SE $\frac{1}{4}$ SE $\frac{1}{4}$ Sec 22 and SW $\frac{1}{4}$ SW $\frac{1}{4}$ Sec 23 T9. S. R. 41 E 6th
- The name of the canal or ditch or other works by which said water is conducted to such place of use is Porritt Ditch
- The right to take the water from such works is based upon Permit No. 1480
- The source of supply from which such water is diverted is Porritt Spring Bennech County
- The date of the priority which said user is prepared to establish is 5th August 1905.

I desire that the above notice be published, according to law, in the Soda Springs Express of Soda Springs, published in the county in which said water is to be used; the expense of which publication will be borne by me.

JAS. STEPHENSON, JR.,
ENGINEER

INSTRUCTIONS.

Proof of Beneficial Use.

Boise, Idaho, June 29, 1908

William C. Davis
Soda Springs, Idaho.

Dear Sir:

I enclose herewith the following forms to be used in connection with proof of application of water to beneficial use under your permit No. 1480.

Deposition of Permit Holder,

Depositions of Two Witnesses.

In submitting this proof the following instructions should be CAREFULLY followed out, since failure to do so may result in the loss of your rights:

1. On August 5, 1908, the date set for the proof of application of water to beneficial use, the enclosed deposition forms (one for permit holder and two each for two witnesses) should be filled out and sworn to, at Alexander, Idaho, before J.T. Budrow, N.P.

2. To complete the proof, it is also necessary that an examination be made of the works as constructed, which examination must be under the authority of the State Engineer. It is the desire to make this expense as light as possible to the permit holder. Will you therefore give me the name of a competent engineer, or surveyor, in your neighborhood who could do this work with as little expense as possible to you. Upon receipt of name of such engineer or surveyor I will authorize him to do the work. The examination should be made on or before the date set for the proof.

3. When the depositions have been taken they should be mailed to this office, together with affidavit of publication of notice and fee of \$2.00 for each 40-acre tract, or fraction, to which water has been applied. When these have been received, together with report of examining engineer, if everything is properly executed, License will issue.

Yours truly,

JAS. STEPHENSON, Jr.,

1480

State Engineer.

NOTICE FOR PUBLICATION.

Notice of Proof of Application of Water to Beneficial Use.

Notice is hereby given that on the 5th day of August, 1908 at Alexander, County of Bannock, State of Idaho, proof will be submitted of the application to beneficial use of one cubic feet per second of the waters of Porritt Spring in accordance with the terms and conditions of Permit No. 1480, heretofore issued by the State Engineer of the State of Idaho.

1. The name and postoffice address of the person or ~~corporation~~ holding said permit are William C. Davis, Soda Springs, Idaho
2. The use to which said water has been applied is _____
3. The amount applied to beneficial use is one cubic foot per second
4. The place where said water is used is (if for irrigation, give full and accurate description of the lands irrigated) SE4 SE4 Sec. 22 and SW4 SW4 Sec. 23, Twp 9 S., R. 41 E. B. M.
5. The name of the canal or ditch or other works by which said water is conducted to such place of use is Porritt ditch.
6. The right to take the water from such works is based upon Permit No. 1480.
7. The source of supply from which such water is diverted is Porritt Spring
8. The date of the priority which said user is prepared to establish is August 5, 1908.

Boise, Idaho, July 14, 1908Mr. C. B. WilsonSoda Springs, Idaho

DEAR SIR:

The holder of Permit No. 1480, William C. Davis, residing at Soda Springs, Idaho, which permit authorizes the diversion of 1 second-feet of the waters of Porritt Spring at _____, desire to make proof of the completion of works of diversion, at _____, on August 5, 1908.

Will you therefore please arrange with the holder of said permit for an examination of the works of diversion, ascertain whether or not they comply fully with the terms of said permit, and render me a report on the condition of such works before the date fixed for said proof of completion, in accordance with the provisions of Sections 4 and 5 of House Bill No. 146, passed by the Seventh Session of the Legislature, approved March 11, 1903.

Your report should be of sufficient detail to enable me to determine the amount of water the works are capable of diverting and conveying to the place of use; giving also the description of the location of point of diversion, and, in case of irrigation, the legal description of the land to be irrigated.

Will you also make a map on the enclosed plat, giving all the essential features of the works, such as point of diversion, route of ditch, place of use, etc. Also give the number of acres under cultivation in each forty.

You should also arrange with the holder of said permit for the payment of your fee for this service and such proper expenses as you will incur in making this examination and report.

Please advise me promptly of your receipt of this communication, and whether or not you will be able to make the examination and report requested.

Yours, truly,

JAS. STEPHENSON, JR.,

Water License No. 1480.

WHEREAS, On the 5th day of August A.D. 1905, WILLIAM C. DAVIS, of Soda Springs, County of Bannock, and State of Idaho, duly made application (No. 2037) to me for a permit to use .2 of 1 cubic foot per second of the waters of Porritt Spring, County of Bannock, State of Idaho, for irrigation and domestic purposes; and

WHEREAS, On the 5th day of August A.D. 1905, Permit No. 1480 was issued to said applicant for the diversion of said water, and providing for the completion of the works of diversion therein described on or before the 5th day of August A.D. 1906, and for the application to beneficial use of said water on or before the 5th day of August A.D. 1908; and

WHEREAS, On the 4th day of August A.D. 1906 the holder of said permit duly made proof of the completion of adequate works for the diversion of 1 cubic foot per second of said waters, as evidenced by my Certificate No. 1480, dated August 23, 1906, confirming the completion of works of sufficient capacity for diverting and conveying to the place of intended use 1 cubic foot per second of water, with date of priority of August 5, 1905, and,

WHEREAS, On the 5th day of August A.D. 1908, proof was duly made of the application to beneficial use of .2 of 1 cubic foot per second of said water;

NOW, THEREFORE, By virtue of the authority vested in me by the laws of the State of Idaho, I hereby grant and confirm to WILLIAM C. DAVIS, of Soda Springs, Idaho, the holder and owner of said Permit No. 1480, a perpetual right, dating from August 5, 1905, to the use of .2 of 1 cubic foot per second of the waters of Porritt Spring in the County of Bannock and State of Idaho, or so much thereof as may be necessary for the purposes hereinbelow mentioned, to be diverted at a point in the Southeast quarter of southeast quarter, section 22, township 9 south, range 41 east of B.M., and conducted to and upon 10 acres in the southwest quarter of southwest quarter (SW4 SW4) Section 23, Township 9 south, range 41 east of Boise Meridian, for the purpose of irrigation and domestic use, subject, however, to the laws of the State of Idaho applicable to a license for the use of the waters of the State, and subject, also, to the local or community customs, rules and regulations which have been or may be adopted from time to time by a majority of the users from a common source of supply, canal or lateral from which such water may be taken, when such rules and regulations have for their object the economical use of such water.

WITNESS, My hand and the seal of my office at Boise, Idaho, this
 eleventh day of August A.D. Nineteen Hundred and eight.

Jas. Stephenson, Jr.
