The Editor, Mr. DeWitt, had moved to Rupert, Ida. and the man in charge of his office here could not find the affidavit Mr. DeWitt had pasted on proper blank so he cut one out of the paper which I sent last wk.

I am today writing Mr. DeWitt for the affidavit necessary.

Mr. Herbert Horvath made a statement to the effect that he was absent on the date set for proof to be made; writing with the typewriter and signing with pen and ink in my presence.

Please tell me what more is necessary for him to do as he said that was all that was necessary. I will have him make the

Herbert Horsley, of Soda Springs, County of Bannock, State of Idaho, being first duly sworn according to law, deposes and says; that the reason that proof of completion of works made by Miss Lily Fields on June the seventh, 1910 instead of June second 1910 was on account of the unavoidable absence, from Soda Springs at that time, viz: 2nd Day of June 1910, and that there was no objection entered against said proof.

Madam:-

Yours of the 13th inst. to hand and contents noted. In reply would say that the affidavit furnished by Herbert Hersley is sufficient.

In regard to the affidavit of publication would say that the clipping inclosed with the depositions is not sufficient. The affidavit required must be from the publisher of the paper setting forth the fact that the notice was published the required length of time in the regular issues of the paper. The new publisher can no doubt furnish you with this affidavit. As soon as this is received the matter of issuing the certificate and license will be taken up.

Madam:

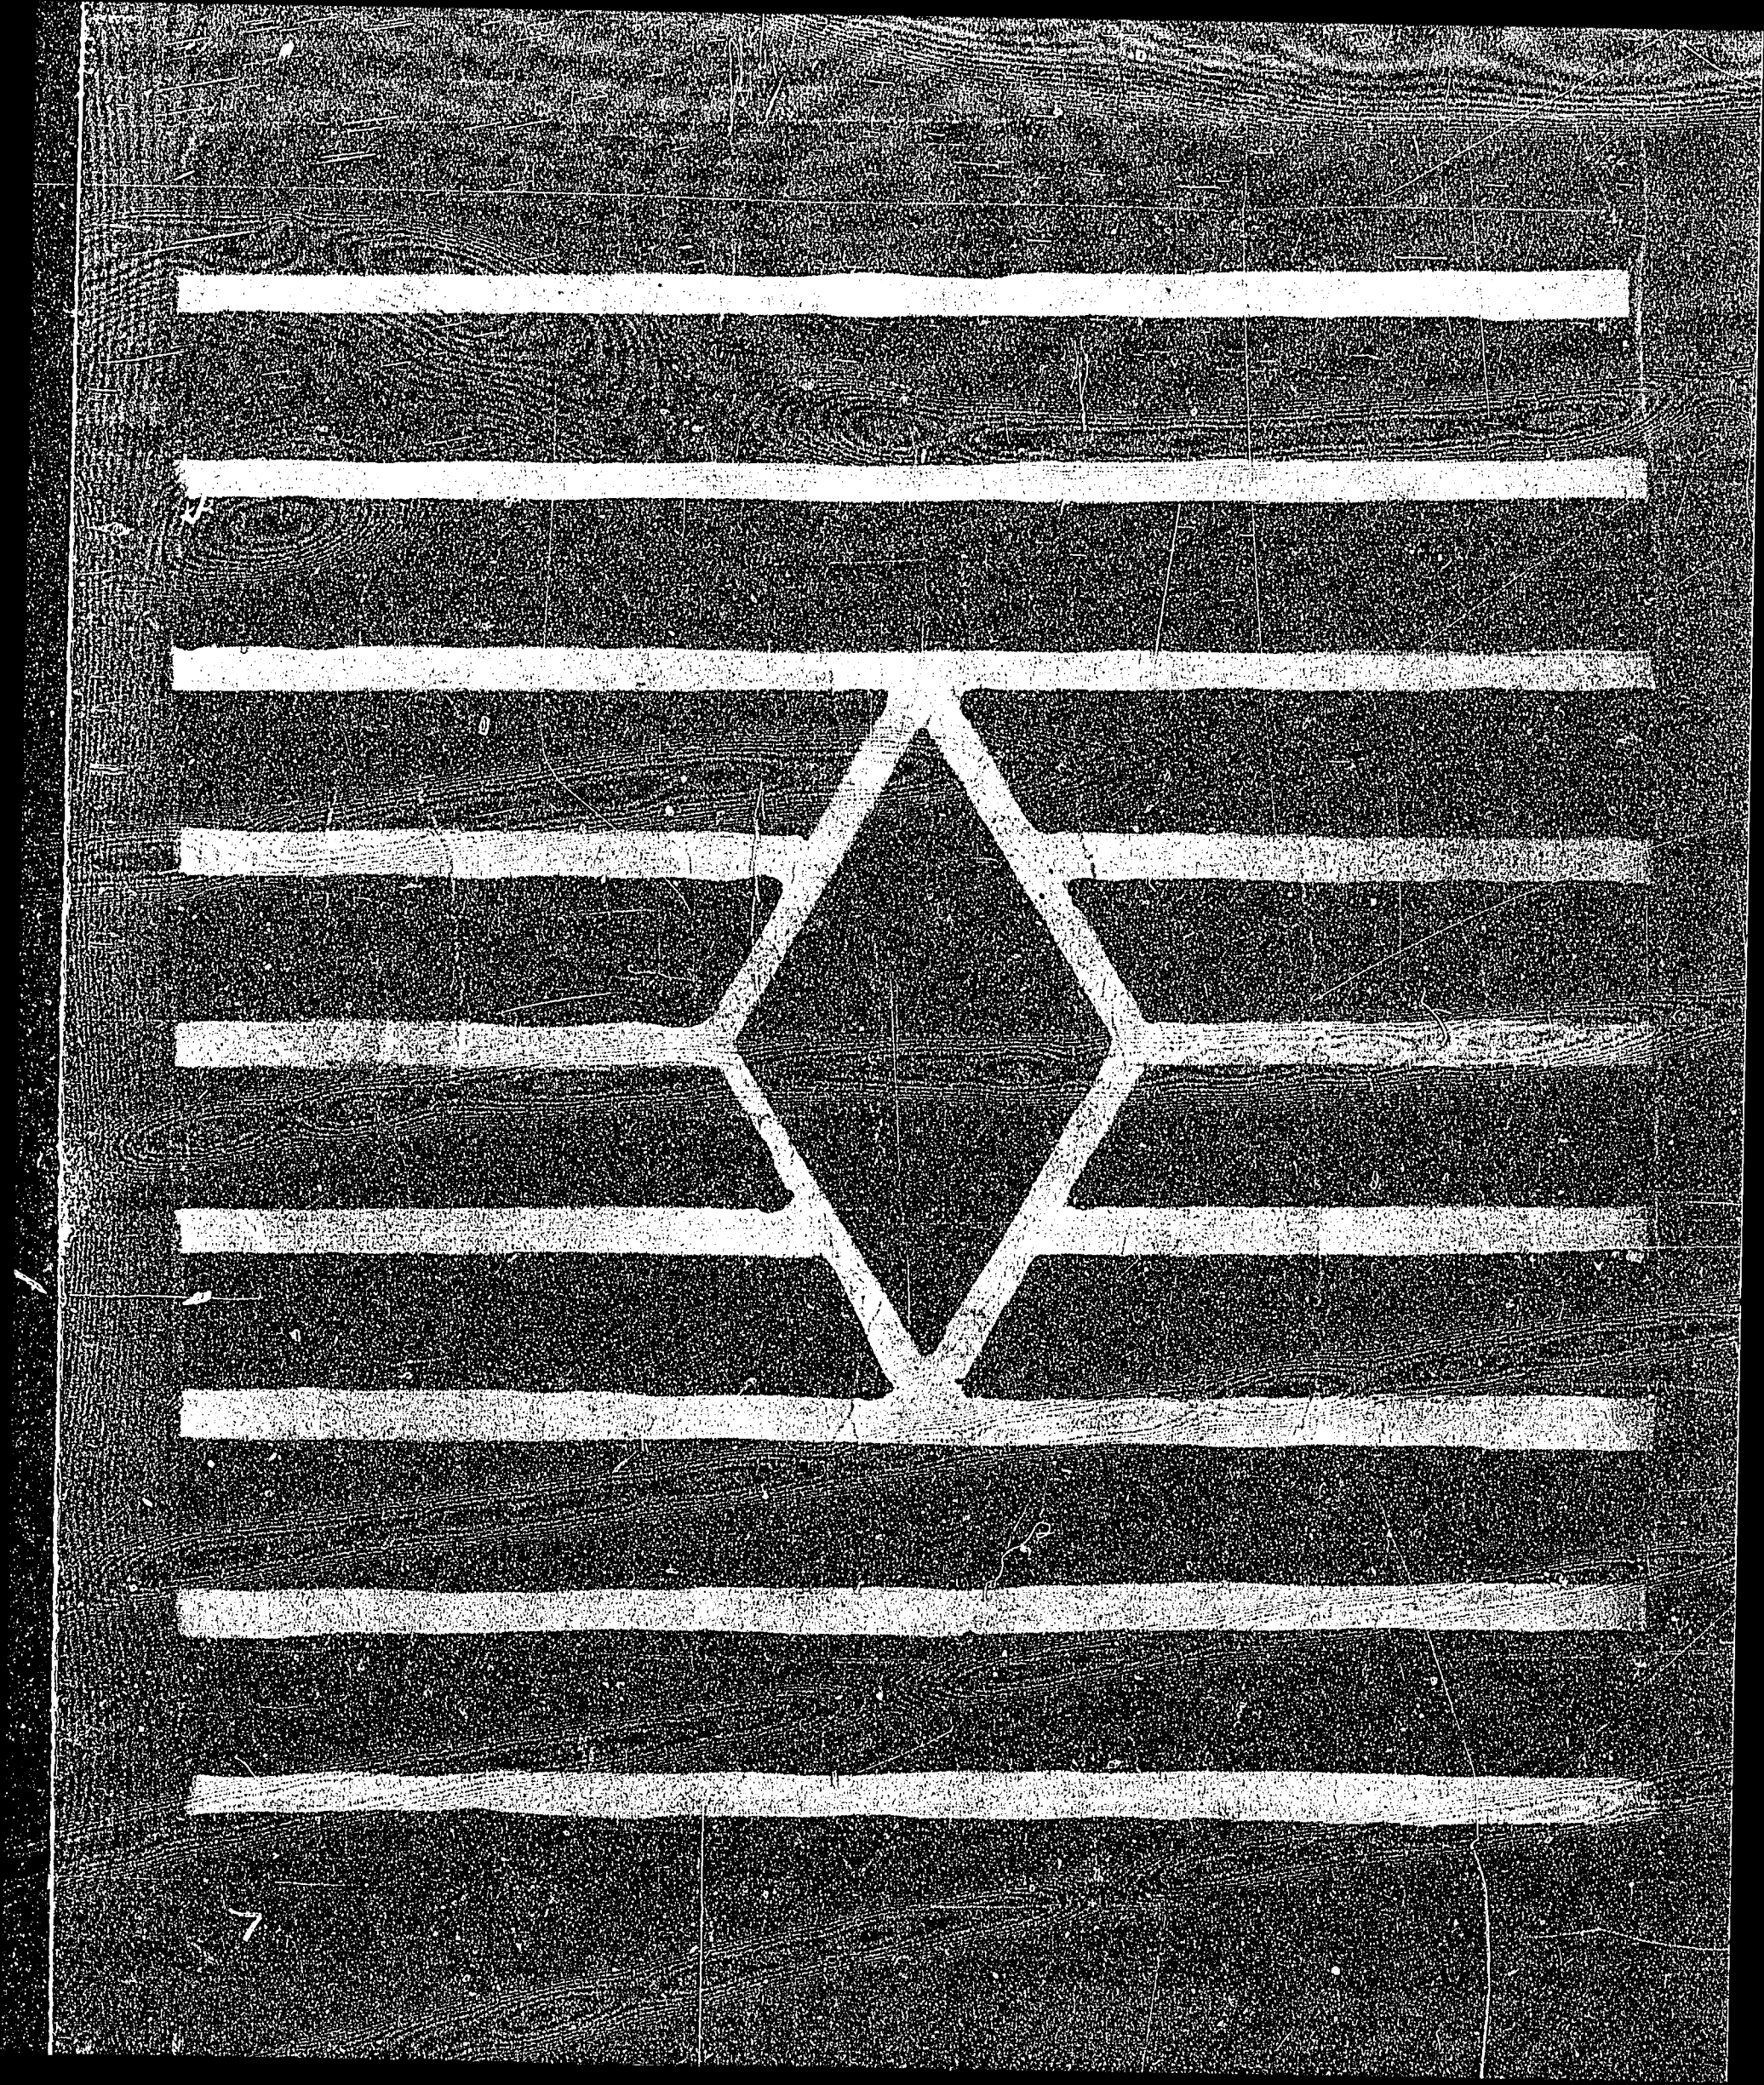

Replying to your letter of the 23rd ult. would say that no amendment of the permit is necessary in order to use your reservoir for a fish pond. No amendment of the permit can now be made for the irrigation of land. It is immaterial to this office whether the water is used for domestic use or for the irrigation of the small tract mentioned in your letter but no legal title can be given under this permit for an irrigation right. You can make a new application for the purposes mentioned in your letter if you desire.

Very truly yours,
