name of town supplied _____

8. Where water is used for other purposes not above enumerated, give the nature of use, the extent of use, and any details regarding the initiation of the right or subsequent later expansion. Be as specific as possible, giving dates and quantities _____

9. Remarks: please explain any details of your claim which you feel need clarification or additional explanation
The number of acres irrigated each year depends on the elevation of Bear Lake and North Lake and the acreage varies greatly from year to year. It is estimated 117 acres would be irrigated in a dry water year with the Bear and North Lakes low.

The 350 a. f. claimed is based on 3 a. f. per acre per year and 2.3 c.f.s. is based on 1 c.f.s. per 50 acres.

BE IT KNOWN that the undersigned hereby makes claim to a water right as described above together with all attached information and certifies that all statements are true and accurate to the best of his knowledge.
