7. Where water is used for domestic or municipal purposes give number of families served over 203 people name of town supplied Cloverleaf Campground

8. Where water is used for other purposes not above enumerated, give the nature of use, the extent of use, and any details regarding the initiation of the right or subsequent later expansion. Be as specific as possible, giving dates and quantities This spring is on National Forest land. It has been used by livestock since about 1870. It has also been used by forest users since pioneer settlement.

9. Remarks: please explain any details of your claim which you feel need clarification or additional explanation In 1965 a headbox was installed at the spring and a pipeline constructed to the newly constructed Cloverleaf Campground. Water in excess of that needed at the campground is returned to the natural channel of the stream by means of an overflow pipe at the headbox. A 5000 gallon storage tank is installed above the campground.

The campground has a planned capacity of 203 people. On peak days it will exceed this. The travelling public will also use the facilities when going to and from Minnetonka Cave.

The claimant also asserts a right to the water for the purpose described herein by reason of the President's Proclamation of May 28, 1906 setting aside the land described herein for national forest purposes.

BE IT KNOWN that the undersigned hereby makes claim to a water right as described above together with all attached information and certifies that all statements are true and accurate to the best of his knowledge.
