Dear Mr. Williamson:

We are returning your personal check #92-286 in the amount of \$10.00 and your claim to a water right, as we feel that you may wish to clarify item #3a before we process it.

As you will note, item #3a lists the priority as November 2, 1965. However, the supporting evidence as listed under item #9 of the claim would indicate that perhaps you should list November of 1955.

Please clarify this issue and re-submit the claim and we shall begin its processing. If you should have any questions in reference to this matter, please advise.
