May 31, 1979

This is to certify that the Montpelier office of the Soil Conservation Service, USDA, assisted Mrs Myrtle Orchard of Montpelier, Idaho, to develop a spring and install a livestock watering facility on the Orchard ranch in Montpelier Canyon.

The spring development is located in the NW $\frac{1}{4}$, SE $\frac{1}{4}$ of Section 7, Twp. 13 S., R.45 E.B.M.

The installation was made not later than June of 1964. The exact date is uncertain as the cost sharing records of the Soil Conservation Service are retained for not longer than five years.

I was transferred to the Montpelier office of the Soil Conservation Service in May, 1963. It is my recollection that the spring development was made in 1964. However, it is possible that it was done in 1963.

Dear Mr. Carlsen:

You recently traveled to Montpelier and assisted me in completing the enclosed Claim to a Water Right. At that time we completed the form in my husband's name, Larry C. Hayes. However, my husband and I have a lease with an option to buy on the land, but the land is actually in my father's name. Therefore I have changed the name on this water right claim form, and had my Dad sign it.

If this is unacceptable, please send me another form and I will redo it. Thanks for all your help on this.

Sincerely,

Barbara J. Hayes
