CLAIM TO A WATER RIGHT

Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

Dear Mr. Hunzeker:

Thank you for your claim to a water right form. The form is enclosed along with your Check No. 92-112 for \$20.00.

Unfortunately, there is a mistake in item #6. The total amount of land in Sec. 24, Twp. 13S, Rge. 24E, should be 172 acres not 179 acres. This is apparently a typographical error, since the total acreage of 338 is correct.

The department cannot make this correction, since this is a notarized document. Please make the correction and initial it, and return it to this office along with the statutory filing fee of \$20.00.

If you have any further questions please feel free to contact me.

Sincerely,

Steve McCormick
