RE: Claims to Water Rights
No. 11-4300 and 11-4301
Alleman and Bienz.

AFFIDAVIT

State of Idaho
County of Bear Lake

Helen L. Hoff and Reed A. Hoff being first duly sworn,
deposes and says: Reference is made to the notice of claims to water
rights No. 11-4300 and 11-4301 referring to claims by Larry Alleman and
Ray Bienz to the water of "Sheep Corral Hollow Springs". I wish to make a
protest to these rights being issued. The deeds to our property in Sec.
30, Township 12 S, Range 44 EBM stipulates "also", all water rights
belonging to the hereinbefore described real property, which said water
right consists of what is known as a five day right in and to all the
water of what is commonly known as "Sheep Corral Hollow Creek, in other
words, a 1/3 interest in and to the waters of said "Sheep Corral Hollow
Creek". I have always recognized the rights of the Claimants, and they
have recognized our rights, and we have used the water every year principally
for watering the lawns and the livestock. It is our understanding that it
is not necessary to file a claim where the water is used for this purpose.

Dear Mr. & Mrs. Hoff:

Pursuant to Section 42-244, Idaho Code, a person may at any time file an exception to a claim along with supporting proof. This exception is made part of the claim file and considered the same as other evidence in the file. Therefore, the statute further stipulates the exception must be in affidavit form.

Your letter received on January 3, 1984 could not be recognized as an exception to claim No. 11-4300 and 11-4301 because it was not notarized. To assist you with providing an exception in proper form, we are returning your letter along with a couple of blank affidavit forms. You may use either the affidavit form or simply rewrite your letter and then sign it in the presence of a notary public.

Feel free to call or contact me if you have any questions concerning this matter.

Respectfully submitted,

ERNEST CARLSEN
