CLAIM TO A WATER RIGHT

RECEIVED

SEP 14 1998

Department of Water Resources
Eastern Region

Under the provisions of Section 42-243, Idaho Code, any person claiming a water right established by diversion and application of water to beneficial use must file a claim with the Department of Water Resources. The filing of this claim does not confirm the water right claimed. Water rights represented by a valid permit, license, decree, or previous claim are exempt from this requirement, as are uses of water for domestic purposes as defined in Section 42-111, Idaho Code.

Notice is hereby given that

Re: Claim No. 11-04353

Dear Claimants(s):

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-243 and 42-244, Idaho Code. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have the information or evidence added at any time. Please refer to the claim identification number when corresponding with the office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Sincerely,

RONALD CARLSON
Eastern Regional Manager
