Dear Mr. Harris:

Enclosed please find your check No. 92-127 in the amount of \$10.00 and your application for permit which is being returned for the following reasons:

1. We can only accept applications on the form titled "Department of Water Resources".
2. It will be necessary to reduce the amount of water under Item 4 to 0.14 c.f.s. We can allow 0.10 c.f.s. for five acres of irrigation at the rate of 0.02 c.f.s. per acre. Considering the rate of diversion, we can allow 0.04 c.f.s. for both domestic and stockwater. Since there is only three horses and four cows, the livestock would be considered as the livestock associated with the household, as provided in Section 42-230(d), Idaho Code.
3. We have corrected the map in Item 11 to correspond with the legal description given in Item 3a.

If you approve of the retyped application, please sign your name at the red check on Page 3 exactly as it appears in Item 1 on Page 1, and return with the statutory filing fee of \$10.00 for further processing.

If you have any questions concerning this matter, please feel free to contact me.

Very truly yours,
