Dear Mr. Smith:

In reviewing your application for permit it was determined the acreage irrigated in Section 22 was 71 acres, rather than the 61 acres indicated at the top of the second page. We are, therefore, returning your application and check No. 92-112 for \$35.00. Also, enclosed is a typed application, which for your convenience, has been completed in our office. The application indicates the corrected acreage mentioned above.

Before signing this application, please review the form to insure it correctly states your intention. Provided no changes are required, sign at the bottom of the third page and forward the application to our office with the statutory filing fee of \$35.00.

I will be glad to assist you with any questions concerning your application.

Respectfully submitted,
