PROOF DUE NOTICE

RE: Permit No. 11-7318

Dear Permit Holder:

One of the conditions of approval of the above referenced water permit was that proof of the extent of your beneficial use must be submitted to this office on or before August 1, 1988. (See last page of your approved permit or your last approved extension request.) Enclosed is a form which when accompanied by the license examination fee or a completed field examination report prepared by a certified water right examiner may be used to submit the required proof.

If you have not fully completed your project, and you or a previous owner of this permit have not received a prior extension of time, you may request an extension of time if the delay is for reasonable cause as provided in Section 42-204, Idaho Code. If you have been prevented from proceeding by a governmental agency or by litigation which might bring title to the water in question, more than one extension of time can be granted. An extension of time request form is enclosed for your convenience.

Either an acceptable proof of beneficial use submittal or an acceptable request for an extension of time must be received by this Department on or before the above described proof due date, or the permit will no longer be of any force nor effect.

Sincerely,

RITA FLECK

AUG 18 1988

Dear Sirs

Department of Water Resources

I am writing you Reg, because
I am very confused about my water
Permit # 11-07318.

Let me try and explain by mail.
For approx 1963 I bought three lots
in Blaine Lake County, Idaho, out
of a 10 lot subdivision, at that point
in time the home owners transferred
together & we drilled a 8" well
casing with pump & hand all way
up to Jerry Bay for approx
1000' & had a water distribution system in
for approx 1963 approx.
The water was then sold to
Chambers who had his property
in the subdivision approx in 1977.
In Jan of 1978 the article came
out in our local weekly paper that
all citizens of Idaho must file
for their water rights. and that
is when I filed for the Permit # 11-07318
I was charged \$30.00 & I thought the
water system was completed for that
time. I then applied at your office.
