RE: PERMIT NO. 11-07339 PROOF DUE NOTICE

Dear Permit Holder:

One of the conditions of approval of the above referenced water permit was that proof of the extent of your beneficial use must be submitted to this office on or before April 1, 1989. (See last page of your approved permit or your last approved extension request.) Enclosed is a form which when accompanied by the license examination fee or a complete field examination report prepared by a certified water right examiner may be used to submit the required proof.

If you have not fully completed your project, and you or a previous owner of this permit have not received a prior extension of time, you may request an extension of time if the delay is for reasonable cause as provided in Section 42-204, Idaho Code. If you have been prevented from proceeding by a governmental agency or by litigation which might bring title to the water in question, more than one extension of time can be granted. An extension of time request form is enclosed for your convenience.

Either an acceptable proof of beneficial use submittal or an acceptable request for an extension of time must be received by this department on or before the above described proof due date. If neither is received, the department will send you a lapse notice. Within sixty (60) days of the mailing of the lapse notice, the permit will no longer be of any force nor effect.

THIS TRUST AGREEMENT, made and entered into this 15th day of April 1965, by and between CONNIE SHIPP, also known as CONNIE SHIPP CHRISTENSEN, Trustor, and GAYLE DEAN HUNT, Trustee, W I T N E S S E T H :

1. The undersigned Connie Shipp, also known as Connie Shipp Christensen hereby grants and delivers to Gayle Dean Hunt, as trustee, for the purposes hereinafter set forth, the cash and property described in Schedule A, annexed and made a part hereof.

2. The trustee, Gayle Dean Hunt, hereby acknowledges receipt from the trustor, Connie Shipp Christensen, of said cash and property.

3. In case of the death or inability to act of the said Gayle Dean Hunt before the termination of this trust, then, and in that event, Connie Shipp Christensen and Sandra Shipp Fisher, or the survivor of them, is hereby appointed as residuary trustee, unless at such time the youngest of the beneficiaries named herein shall have attained the age of twenty-one years, in which case, if the original trustee Gayle Dean Hunt be deceased, this trust shall terminate.

4. The trustee Gayle Dean Hunt agrees to hold the trust fund in trust for the benefit of Stephany Ann Hunt, Paul Dean Hunt, and Mary Alena Hunt, the daughters and son of Gayle Dean Hunt and Doris Rae Hunt, deceased, hereafter called the beneficiaries, for the purposes, terms, and conditions hereafter set forth.

5. The trust shall terminate when the youngest beneficiary is twenty-one, if trustee Gayle Dean Hunt be then deceased, but shall continue until his death or until the youngest beneficiary is thirty years of age, provided, however, that after all the beneficiaries have reached their majority this trust may be terminated by mutual agreement of the beneficiaries and trustee.

6. The trustee will invest and keep invested the trust funds and collect the income during the term thereof, subject to the provisions hereof, until the beneficiaries shall have all attained the age of twenty-five years, or shall have all completed their formal education.

7. When all beneficiaries have completed their formal education, the trust income shall be distributed annually to the beneficiaries pro rata, but shall not be earlier so distributed unless the size of the trust and income is

such as to be obviously adequate to cover all educational expenses of all beneficiaries, in addition to making a distribution of income.

8. The trustee shall, when the beneficiaries' interest and welfare requires it, and may, if in his opinion a beneficiary's welfare will be furthered, pay to, or expend for, such beneficiary, trust funds or property. Expenditures deemed necessary, including educational costs, for a given beneficiary's welfare, need not be proportionate to that beneficiary's interest in the trust. Expenses deemed merely appropriate or desirable, rather than necessary, will be generally, although not necessarily, proportionate.

9. Upon death of a beneficiary before termination hereof, his share of the trust fund shall be distributed as he or she, by last will and testament, shall have directed, or, in the absence of testamentary disposition, to his or her heirs at law.

10. The trustee shall be authorized to invest and re-invest the trust fund or income, or any part thereof, in such properties, securities, or business as he deems advisable, whether deemed to be proper investments for trust funds under the laws of the State, or not, and the trustee shall not be liable for any losses arising from shrinkage in value of such investments.

11. Neither the trustee nor the residuary trustee or trustees shall be required to give any bond or other security for the faithful performance of his or her duties hereunder.

12. The trustee may sell or trade property and incur the same without regard to duration of the trust or his term as trustee.

13. The trustee shall not be required to establish a sinking fund to amortize the premium at which any investment or re-investment may have been purchased.

14. Any realized depreciation in the value of trust property, on sale or other disposition thereof, shall be considered principal and not income.

15. Whether, and in what proportions, extraordinary dividends from corporate shares held hereunder by the trustee shall be considered income or principal shall be determined conclusively by the trustee. Subscription rights on shares of stock held by the trustee hereunder shall be exercised or disposed of by the trustee in such manner as he may determine, and, if such rights shall be sold, the trustee shall, in his discretion, determine whether and to what extent the proceeds of such sale shall be treated as principal or income.

16. Securities contained in the trust fund may be in bearer form or in the name of a nominee, without indicating that said trustee holds the same in a fiduciary capacity.

17. The trustee shall be authorized and directed, if he deems it in the interest of the beneficiaries, to procure insurance on the life of the remaining parent of said beneficiaries.

18. This instrument shall be deemed to create three separate trusts.
