RE: Application for Permit for Bear Lake West Properties #1,
Plat C

Dear Dr. Homer:

Yesterday I received your application on Bear Lake West,
Plat C and photocopies of Mr. Wray's letter and check of
June 15, 1994.

The application is complete and I have forwarded it to our
Eastern Region office in Idaho Falls for processing and
advertising.

I searched the department's accounts receivable database but
was unable to find any record of an application fee received from
either Michael H. Wray, Amann & Wray, or Bear Lake West at any
time in June 1994.

A search of the water right database on the listed point of
diversion and place of use also did not show any record of the
application.

As you requested, I telephone you today to notify you of my
findings and left a message on your voice mail.

If you have any further questions or require assistance,
please feel free to contact me directly at (208) 327-7944.

Respectfully,

Cindy Zimmerman

SUBJECT: Michael Wray's letter & check dated 6/15/94

=====

The photocopy of the check does not indicate the check was a cancelled check. However, I did searched the account receivable database for the month preceding and following the date of Mr. Wray's check but found no receipt for this application.

A search of the water right database by point of diversion and place of use did not turn up an application filed by the Mr. Wray or Bear Lake West on or near 6/15/94.

Dear Cindy

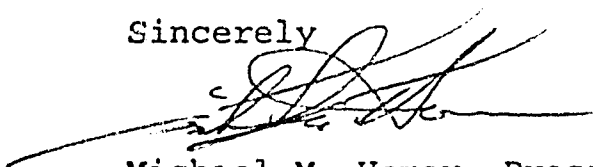

I very much appreciate the time and consideration you have given us concerning our application for a water permit for Plat C. We were finally able to obtain copies of the application filed by Mr. Michael Wray in mid-June.

I have enclosed the copies of the application, plat map, Mr. Wray's letter and a copy of the check he wrote for the application fee. Additionally, I am enclosing a check for \$100 for the application fee and a copy of the list of 1993-94 POA Board members.

In reviewing the application we have added corrections on item 3. Location. If the first "1/4" needs to be completed it would read as follows: NE 1/4 of NE 1/4 of SE 1/4, Govt. Lot _____ Sec 21. The reason we did not include the first "1/4" is to provide the well driller flexibility in drilling to obtain water. If you need the first "1/4" please add that to our application. Additionally, we re-located, more accurately the proposed point of diversion on the map. As association president, I have signed below the copied signature of Michael Wray.

I would appreciate your review of these documents and notifying me by phone (W=801-957-4321, H=801-966-4190) if this is an adequate application or if there is additional information that needs to be clarified to consider our application formally submitted. Any assistance you can provide in expediting the application review process will be greatly appreciated.

RE: Bear Lake West Properties No. 1, Plat 'C'
Application for Permit to Appropriate Water

Dear Sir or Madam:

I am currently the Vice-President of the Board of Directors of Bear Lake West Property Owner's Association, Inc., an Idaho, non-profit corporation. The association is comprised of all record owners of property located within Bear Lake West Properties No. 1 Plats 'B' and 'C'. I have been specifically authorized and instructed by the Board to submit for your approval the enclosed application for permit to appropriate water. Also please find enclosed my check in the amount of \$35.00 which I understand to be the application fee.

It is anticipated that, assuming the application for permit is approved, the contractor hired to drill the proposed well will commence drilling by mid August 1994. Currently there are members who are awaiting water service to their domestic dwellings. Your prompt review of the application for permit will therefore be greatly appreciated. Although the application itself provides the telephone number (801) 966-4190, I would appreciate hearing directly from you if there are problems, questions or concerns regarding this application.

Thank you for your attention to this matter.

Very truly yours,

Michael H. Wray

ENCLOSED IS A WELL REPORT FOR BEAR LAKE WEST PROPERTY OWNERS. AFTER HAVING TROUBLE TRYING TO INSTALL THE 10" CASING, WE HAVE DECIDED TO PERMANENTLY ABANDON THE WELL. I HAVE SENT AN ABANDONMENT REPORT TO BOISE TO MARK SLIFKA. I WAS IN HIS OFFICE ON THE 16TH OF THIS MONTH AND HE ADVISED ME AS TO THIS JOB. THE OWNERS WISH TO KEEP THIS DRILLING PERMIT (#11-95-E-024) OPEN FOR THE ONE YEAR FROM ITS DATE OF ISSUE. THE OWNERS WILL BE GETTING IN CONTACT WITH YOU TO MAKE SURE THIS WATER RIGHT #11-07424 WILL BE USABLE FOR A NEW LOCATION. IF THEY CAN DECIDE ON A NEW LOCATION AND HAVE THEIR PERMITS IN ORDER THEY MAY LIKE TO DRILL THIS FALL. THANK YOU FOR ANY HELP YOU MIGHT GIVE TO THIS MATTER.
