

Date of first receipt at office of State Engineer 9:00 A.M. March 1, 1916.

Returned to applicant for correction

Corrected application received

APPROVAL OF STATE ENGINEER

The number of this permit is 11996

Recorded in Book 41 Page 11996 Approved March 18, 1916.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Idaho, and hereby approve the same, subject to the following limitations and conditions:

Bond in the sum of _____ to be filed on or before
Work to begin on or before May 17, 1916. and to continue diligently and uninterruptedly to completion, unless temporarily interrupted by circumstances over which permit holder has no control.

One-fifth of the work above specified to be completed on or before September 18, 1917.

The whole of said work to be completed on or before March 18, 1919.

Beneficial use of water appropriated in accordance herewith, to be made on or before March 18, 1919.

Witness my hand this 18th day of March, 1916. J. H. Smith.

State Engineer.

Remarks:

15 (a) Is reservoir to be used? only as hereinbefore set forth.

The Village of Franklin has a completely constructed system of waterworks as above described in this application, which system is supplied from Maple Creek, for the purpose of furnishing to the inhabitants of the said village, water for culinary and domestic purposes.

Said system consists of an 8" feed pipe line, a 40' x 45' x 11 reinforced concrete reservoir, and a 6" supply line, all as shown on accompanying map.

The supply of water from Maple creek is inadequate, and it is therefore proposed by this application to supplement the amount of water used by said municipal system, by the additional amount developed from the springs for which this application is made, said additional amount to be taken into the feed pipe of the municipal system.

AFFIDAVIT OF PERMISSION TO FILE ON SPRINGS.

I, Joseph H. Corbridge, of Franklin, County of Franklin, State of Idaho, do hereby certify that I am the owner or lessee of the land on which the spring mentioned in the application of the Village of Franklin, is located, to-wit: The SW $\frac{1}{4}$ SE $\frac{1}{4}$ Sec. 15, and NW $\frac{1}{4}$ NE $\frac{1}{4}$ Sec. 22, Township 16 S., R. 40 E.B.M. and that I do hereby grant unto the said Village of Franklin permission to file on the said spring as set forth in the foregoing application.

Joseph H. Corbridge.

STATE OF IDAHO,) SS:
County of Franklin)

On this 26 day of Feb. 1916, before me, a Notary Public for the State of Idaho, residing at Franklin, Idaho, personally appeared Joseph H. Corbridge, known to me to be the person whose name is subscribed to the foregoing certificate, and acknowledged to me that he executed the same.

Witness my hand and seal, the day and year in this certificate first above written.

Ezra P. Monson,
Notary Public.

Notarial Seal.

My Commission expires March 8, 1919.

Proof of completion of works made January 2, 1918.
Certificate of completion of works issued January 25, 1918.

Permit No. 11996.

CERTIFICATE OF COMPLETION OF WORKS.

To All Whom It May Concern:

This is to certify that The Village of Franklin, of Franklin, County of Franklin, and State of Idaho, the holder of Permit No. 11996, issued upon Application No. 17304, bearing date of priority of March 1, 1916, authorizing the diversion of .44 second feet of the waters of six unnamed springs which are tributary of Maple Creek, County of Franklin, State of Idaho, for domestic and municipal purposes, has fully complied with the provisions of the laws of the State of Idaho relating to the proof of completion of the works of diversion set out and described in said Permit; that said works are adequate for diverting and conveying to the place of intended use .44 second feet of the waters of six unnamed springs, that the points of diversion of said waters are in the NE¹ Sec. 22, and SW¹ SE¹, Sec. 15, all in T. 16 S., R. 40 E., B. N., and that the place of use of said waters is in the Village of Franklin.

Witness my hand this 25th day of January, A. D. 1918.

J. H. SMITH,

State Engineer of the State of Idaho.

License issued for .44 second feet

J. H. Smith, State Engineer,
Boise, Idaho.

Dear Sir:-

Herewith enclosed additional application
of Village of Franklin for Permit to appropriate the Public Waters
of the State of Idaho. This is not a correction to No. 17277, but
is an application for springs not included in No. 17277.

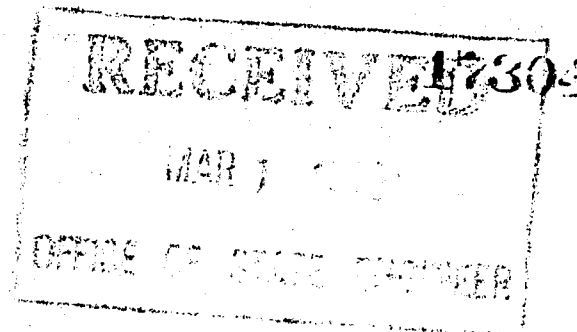

The applicant intends to use the springs described in both
applications in the extension of its municipal water works system.
Herewith enclosed \$1.00 filing fee.

11996

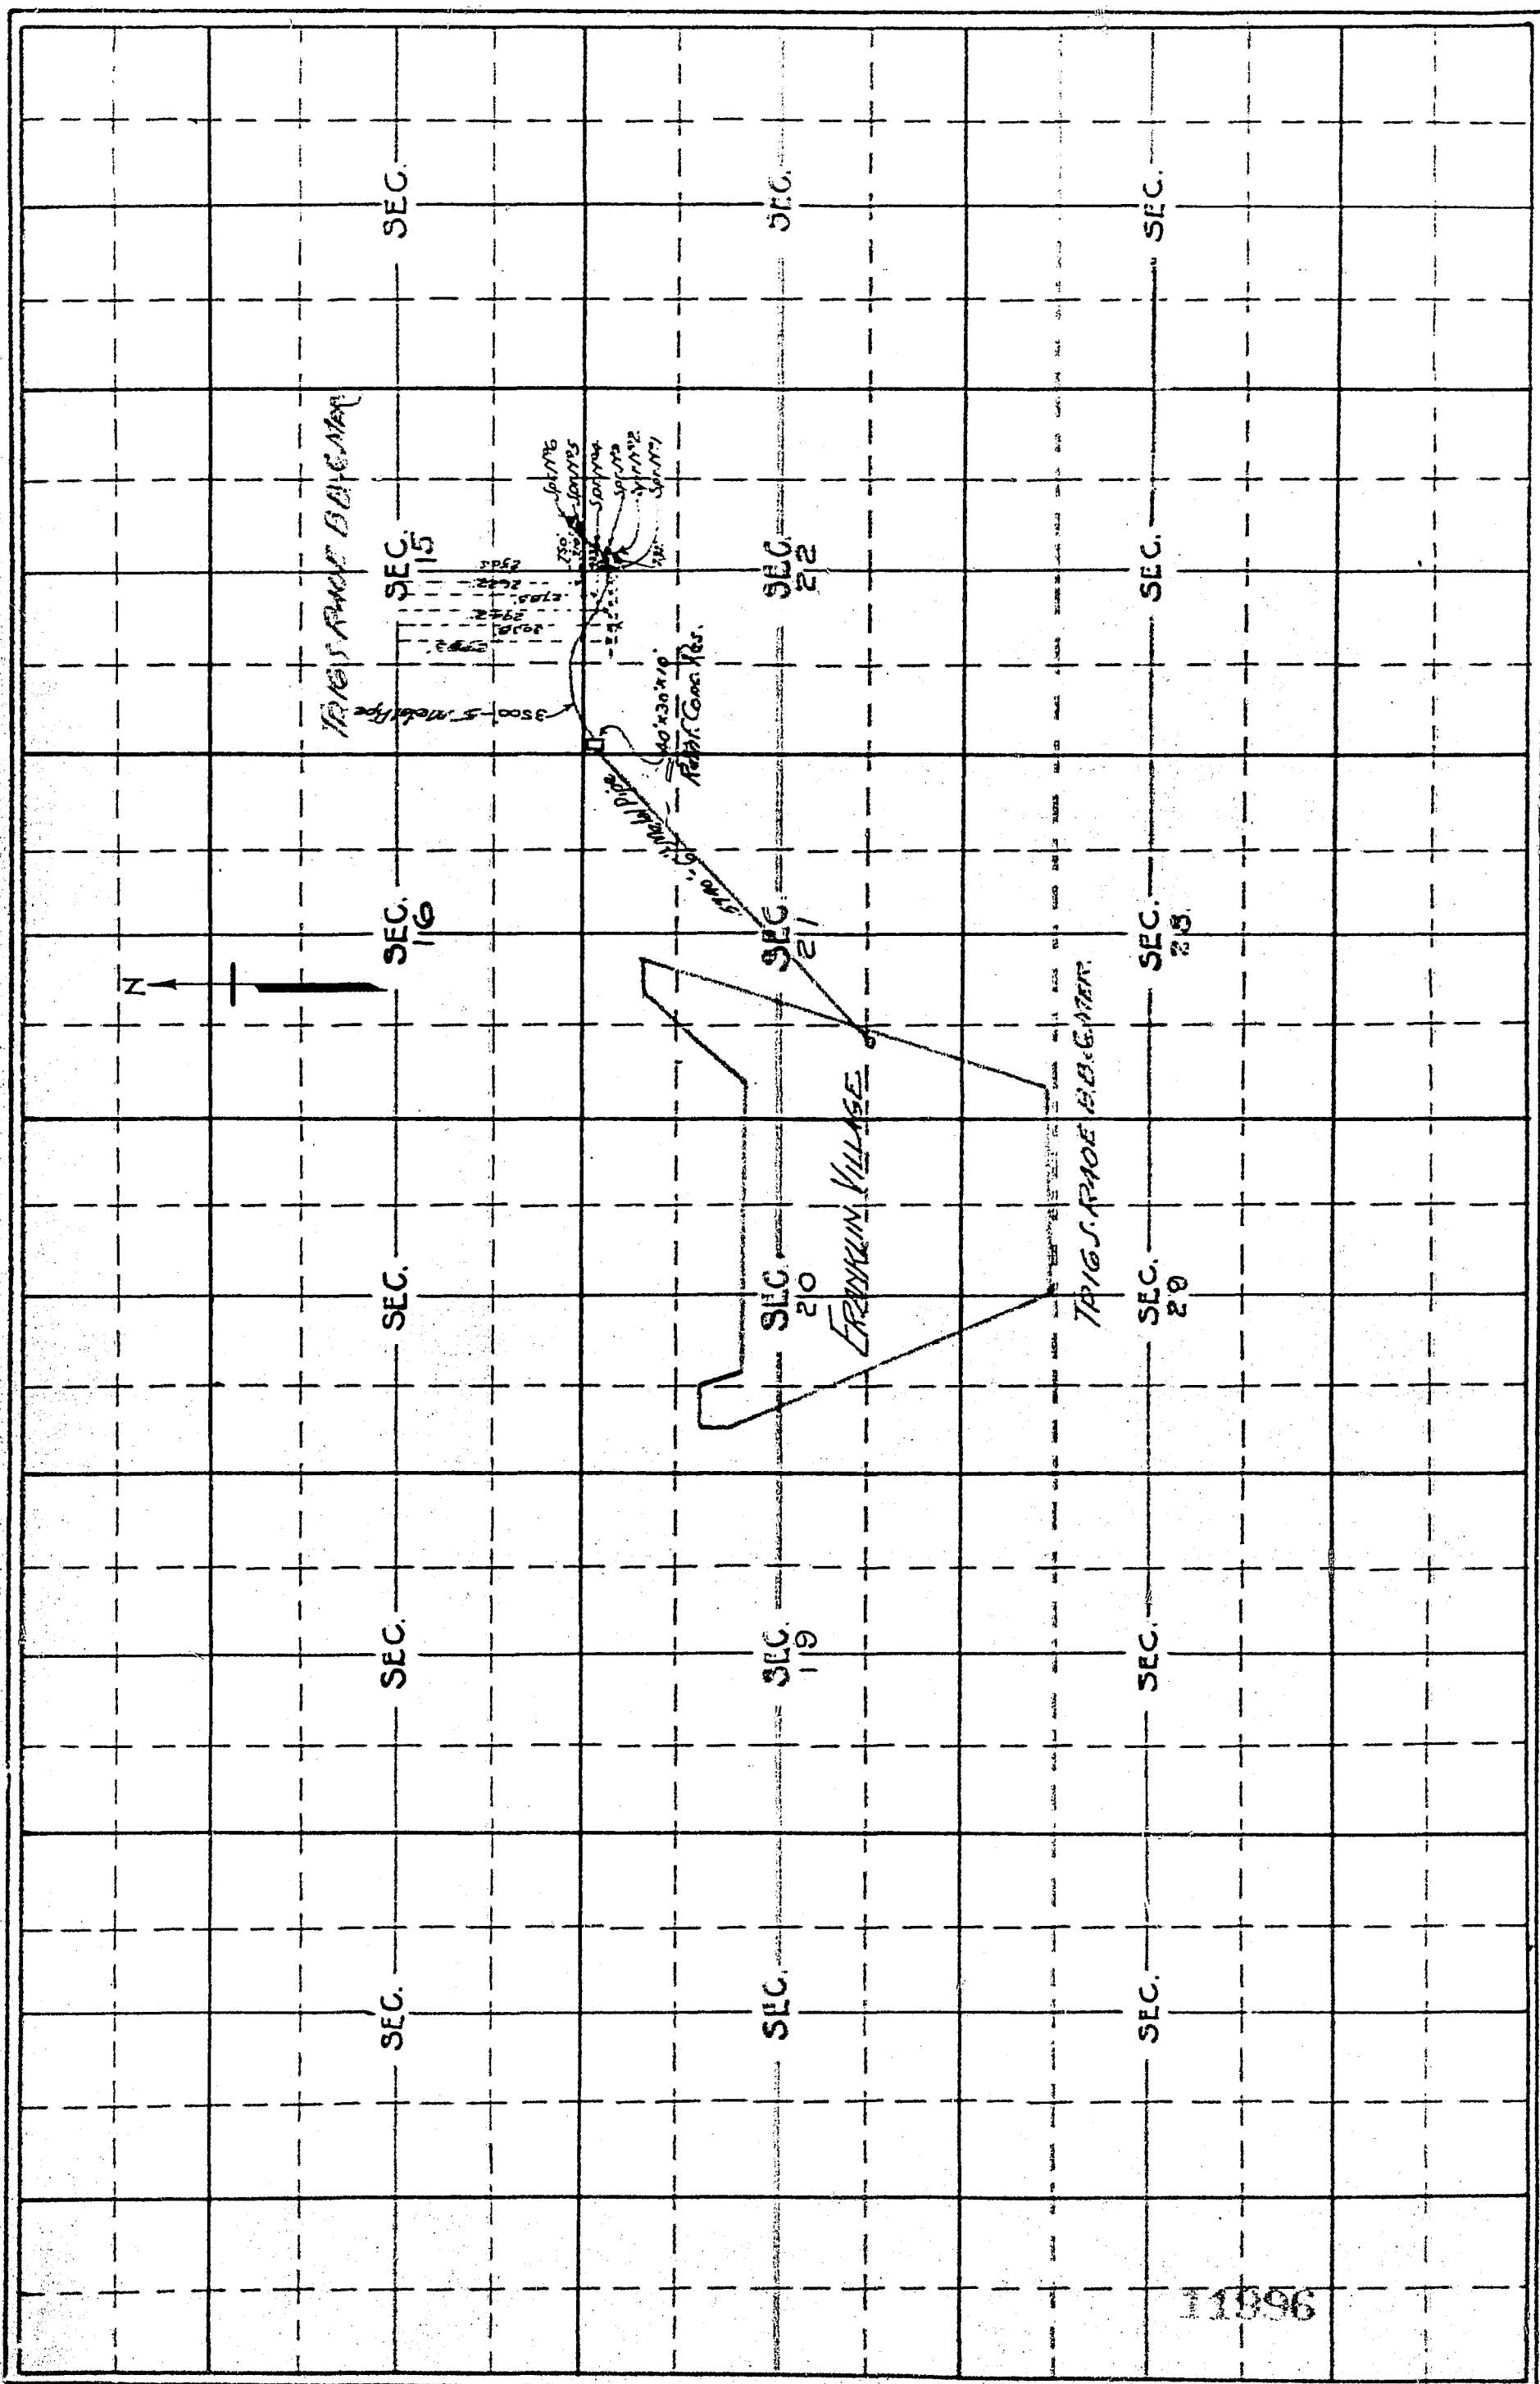

Yours truly,

James C. Walters

PROOF OF BENEFICIAL USE

Ezra P. Monson, Chairman,
Village of Franklin, Idaho.

BOISE, IDAHO, Feb. 15, 1918.

DEAR SIR:

I enclose herewith the following forms to be used in connection with proof of application of water to beneficial use under your Permit No. 11996.

DEPOSITION OF PERMIT HOLDER,

DEPOSITIONS OF TWO WITNESSES.

In submitting this proof the following instructions should be CAREFULLY followed out, since failure to do so may result in the loss of your rights:

1. On February 28, 1918, the date set for the proof of application of water to beneficial use, the enclosed deposition forms (one for permit holder and one each for two witnesses) should be filled out and sworn to, at Franklin, before I.H. Nash, Notary Public.

2. When the depositions have been taken they should be mailed to this office, together with affidavit of publication of notice and fee of \$2.00 for each 40-acre tract, or fraction, to which water has been applied. When these have been received together with report of examining engineer, if everything is properly executed, License will issue.

Yours truly,

J.H. SMITH,

State Engineer.

PERMIT No. 11996**Proof of Application of Water to Beneficial Use****DEPOSITION OF HOLDER**

Ques. 1. State your name, age, residence, occupation and postoffice address.

Ans. Village of Franklin - Ezra P. Monson, Chairman Village Board

Franklin, Franklin County, Idaho. age 43 years Merchant

Ques. 2. If acting in behalf of a corporation, state its name, principal place of business (if a foreign corporation, give name and postoffice of statutory agent), your position with reference to same, and your authority for appearing in its behalf.

Ans. Ezra P. Monson, Chairman Village Board, Village of Franklin

Ques. 3. State number and date of permit, and date of priority you propose to establish under the permit.

Ans. No. 11996 - Approved May 6, 1916. Date of Priority March 1st, 1916.

Ques. 4. State source of water supply and give exact location of point of diversion.

Ans. Six unnamed springs tributary to Maple Creek, the point of diversions are in the NE $\frac{1}{4}$ Sec. 22, and the SW $\frac{1}{4}$ SE $\frac{1}{4}$, Sec. 15, all in Tp 16 S. R. 40 E. B.M.

Ques. 5. Describe your works of diversion and state amount of water they are capable of conveying from point of diversion to place of use, and give name of canal or ditch or other works by which water is conducted to such place of use.

Ans. 5" metal pipe 6" Metal pipe-Reinforced Concrete Collecting Basin and Collecting Pipes, amount of water 0.44 second feet. The Maple Creek Extension to the Franklin Village Water System

Ques. 6. State for what purpose water is used and describe place of use. (If for irrigation, name each subdivision in which used, and number of acres in each subdivision that have actually been irrigated with said water.) State whether cultivated or natural meadow land and the nature of all improvements which have been made as a direct result of said use.

Domestic and Municipal purposes

Ans. _____

Ques. 7. If for other than irrigation purposes, state how applied, amount of horse power generated, etc.

Domestic, culinary and Municipal purposes

Ans. _____

Ques. 8. What is the minimum amount of water required for the use specified above?

Ans. 0.44 second feet.

Ques. 9. If you are not the person or representative of the corporation to whom above mentioned permit was originally issued, please state how ownership was acquired by present holder.

Ans. _____

11996

Ques. 10. State when, how, in what amount and to what extent the water diverted under above mentioned permit has been used.

Ans. Since the completion of our water extension in 1917 said waters
have been in continual use for domestic and culinary purposes to the
amount of 0.44 second feet

Ques. 11. State when, how, in what amount and to what extent waters other than those diverted under the above mentioned permit have been diverted and applied to beneficial use upon the lands herein described. Give full particulars regarding such other appropriations and rights claimed thereunder.

Ans. ~~This water has been used for domestic and culinary purposes since the completion of the extension in 1917 and has been applied to beneficial use upon the lands herein described to the amount of 0.44 second feet.~~

Re: Permits 11996-11997.

Mr. Ezra P. Monson, Chairman,
Village of Franklin, Idaho.

Dear Sir:--

I am in receipt of your letter of the 1st inst., enclosing depositions and affidavits of publication for final proof under above permit, also, letter from Mr. Samuel J. Hand, treasurer, with check in the sum of \$4.00.

In regard to fees required would say that, where the water is used for other than irrigation purposes, the law requires a fee of \$5.00 for each proof. I accordingly return herewith the check for \$4.00. The fees, however, should not be sent until the report of our examining engineer has been made, at which time you will be further notified. The papers will be placed on file pending the examination.

Very truly yours,

FRED A. WILKIE,

State Engineer.

Re: Permits 11996-11997

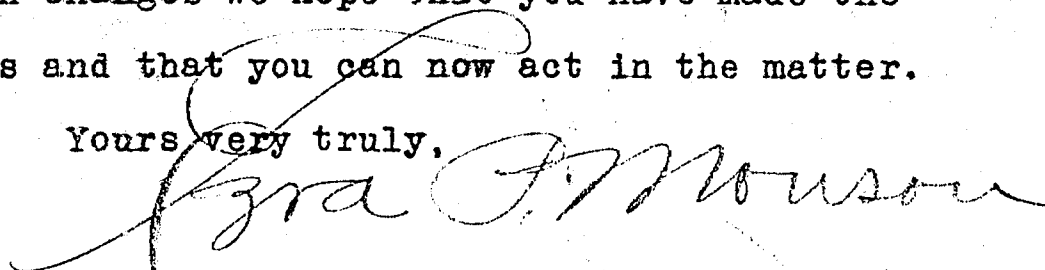

State Engineer,

Boise, Idaho.

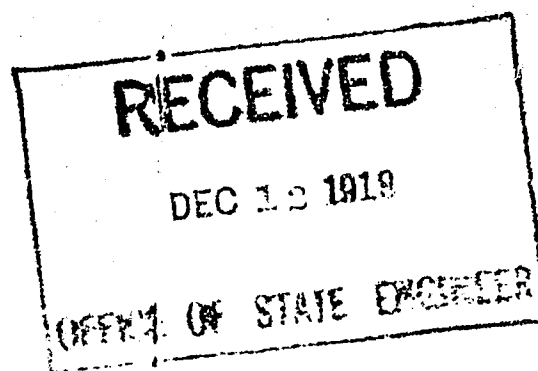

Dear Sir:

Referring again to your letter of March 4th relative to the above applications, I write to ask if any thing further has been done and if it will be possible for us to get this matter closed before the end of the year. As there are changes made at times when the State administration changes we hope that you have made the necessary investigations and that you can now act in the matter.

Yours very truly,

Chairman Village Board of Franklin.

Re Permits 11996-7.

Mr. Ezra P. Monson,
Chairman Village Board,
Franklin, Idaho.

Dear Sir:--

Replying to your letter of the 10th inst. would say, that in view of the fact that the amount of water claimed under the above permits is very small, the licenses will be issued without further investigation. These will be ready to mail out to you within the next week or ten days.

Very truly yours,

FRED A. WILKIE,

State Engineer.
