Dear Sir:

F.A.P.36-A(6), Roadside Improvement, Franklin County

The State proposed to construct a Roadside Improvement Project on the new highway between Preston and Red Rock and in connection therewith desires to file on a spring which is located on highway right of way in the SW $\frac{1}{4}$ -NW $\frac{1}{4}$ of Section 16, Township 15 South, Range 39 East of the Boise Meridian.

The water from this spring is to be used for irrigating a proposed improvement and to provide water for a drinking fountain.

We enclose application for permit to appropriate this water and we also enclose a claim voucher in the amount of \$5 covering filing fee and would request you kindly sign this voucher and return it to this office.

May we also request that our application be filed so that we may be protected in case other parties may desire to file on this spring water.

Yours very truly,

Dear Sir:-

F.A.P. 36-A(6) Roadside Improvement, Franklin Co.

We acknowledge receipt of your letter of May 9th, enclosing application for Permit to appropriate the Public Waters of the State of Idaho, covering one-tenth of one cubic foot per second of the waters from a spring on State Highway right-of-way, in the SW $\frac{1}{4}$ NW $\frac{1}{4}$ Section 15, Twp. 15 South, Range 39 East, B.M.; also voucher for the \$5.00 filing fee.

The application has been entered on our starting book as No. 83164- with priority date of May 10, 1939- and permit will be issued in due course.

Meanwhile, we return the voucher, duly signed- but call attention to the fact that only one voucher was enclosed. Should not this be executed in duplicate?

Dear Sir:-

Under the terms of your permits No. 18791 you are required to complete your diversion works and make proof of beneficial use on or before May 12, 1941.

I enclose herewith blank affidavit to be filled out, sworn to by you before a Notary Public or a Justice of the Peace, and returned to this office on or before the above date, or within ten days thereafter, for the purpose of making proof of completion under the permit. Upon receipt of this affidavit in this office, provided the same satisfactorily shows the completion of the works substantially in accordance with the terms of the permit, together with a fee of \$5.00, a Certificate of Completion will be issued to you.

I also enclose blank notice for proof of application of water to beneficial use under this permit, which should be filled out and returned to this office at least forty (40) days before the date upon which you wish to make proof. The proof must be submitted before a Notary Public or other officer authorized by law to administer oaths. The date for proof as set out in your permit, is May 12, 1941, and if proof is submitted subsequent to said date, your priority will be brought down a length of time equal to the time elapsing between the date proof should have been made and the date proof is actually made.
