Gentlemen:

On May 11, 1966 we wrote you stating that we had not received the tear sheets of the legal notices of Permits No. G-29859, G-29888, and G-29897.

In checking through the file folders of a number of permits today we found these tear sheets in another folder. They had evidently been misfiled before being given to the employee who has the responsibility of checking all legal notices.

We regret this error on the part of our office. Please accept our sincere apology.
