Gentlemen:

Re: Permit 32309

In the spring of 1966 I installed a pumping plant and sprinkling system, thereby increasing the amount of water diverted. Copy of purchase made is enclosed.

If the amount I applied for was reduced because of insufficient works to divert that much water, I wish now to petition for an increase in the amount granted.

Please notify me of any action that might be taken on this.

~~Re: Permit 1075~~

I have a completion of works dated September 9, 1965 for this permit. I haven't received notice of any further action on this.

May I please expect some action on this.

Very truly yours,

A. Vern Hinckley
