O Mr. Dell W. Smith
Attorney at Law
Preston, ID 83263

Dear Mr. Smith:

P This office is in receipt of the copy of the letter you wrote to Mr. George Hargraves concerning the above referenced claim. The document that Mr. Perry filed with this Department is a Claim to a Water Right rather than an Application for Permit. I am sure that you are aware that the Department does not take any formal action with regard to a claim. A Claim to a Water Right is filed by a water user that is developing a right through diversion and beneficial use rather than under the permit-license method. A right developed through use can only be confirmed through court action. Thus, even if Strongarm Reservoir District were to withdraw their exception to Mr. Perry's claim, the Department would not issue a permit or in any other way confirm his claim.

Y If we can provide you with further information concerning this matter, please do not hesitate to contact us.

Very truly yours,
