In regards to a water spring aquired by Mr. Allman. According to my records and knowledge, in the 1890s the Stalker family (A.S.Stalker, S.S.Stalker , Willard S.Stalker and Nellie R. Flack Stalker) each filed on home stead sites in this locality. I now own the home stead of Nellie R. Stalker, the Patent on this Property is dated Nov. 28, 1900. I also own part of the Willard S. Stalker homestead, Mr Allman own a part on which said spring is located. This Homestead Patent is dated June 22, 1899, both patents are recorded in Bannock Co. Ida.

In 1906 or 07, my father aquired residence on the Willard Stalker Home site. Above said spring was the only available water for this home and a small apple, berry and vegetable garden. and was used soley for this purpose. My family lived in this home un- the summer of 1910. The water has always been used on this home site.
