RE: Claim to a Water Right No. 13-4053 and 13-4054

Mr. Blaine H. Taylor
168 West 1st North
Preston, Idaho 83263

Dear Mr. Taylor:

I am in receipt of your letter of September 15, 1977, indicating your desire to protest water right claims No. 13-4053 and 13-4054 in the name of Fairview Water District.

As I indicated to you in our conversation on September 14, 1977, a claim to a water right is filed for information purposes and, therefore, a protest is not appropriate. If you wish to file an exception to these claims pointing out errors that you feel exist in the claims as submitted, you may point out these errors in an affidavit. The Department will take no action on an exception other than to retain a copy as part of the appropriate file and to supply a copy to the claimant.

We are attempting to determine the recorded rights we have on file on Foster Creek and will notify you when our review is completed.

Very truly yours,
