Mr. Dean Hogan

Dear Mr. Hogan:

Enclosed you will find the claim to a water right you recently submitted to the Department along with check No. 92-204 for \$20.00, and a claim which was typed in our office using the information provided on the original claim.

In reviewing this claim, it was determined that the legal description for the place of use under Item 6 was not consistent with the legal description of the location shown on the plat map under Item 8. The map indicates the use to be in the NW $\frac{1}{4}$ SE $\frac{1}{4}$, Sec. 16, while Item 6 shows both the SW $\frac{1}{4}$ SW $\frac{1}{4}$, SE $\frac{1}{4}$ SW $\frac{1}{4}$. You should also notice that we have made some minor changes in Items 2 and 3.

Once you have verified the location of the place of use, please indicate it on the typed claim and if you find the minor changes to be satisfactory, sign the claim in the presence of a notary and return to this office with your check for \$20.00. Please make sure the claim bears the notary seal when returned.

If we may be of further assistance, please feel free to contact this office.

Respectfully submitted,
