Dear Claimant:

Enclosed is a claim to a water right and check #90-1298 for \$30.00 that were received by this office, and a typed, corrected claim for your review and signature.

In the remarks section (item #8) you mention that the well was re-drilled in 1962, but had been used many years before. In this case you would want to claim the earliest priority giving the day, month and year for which the well was used for domestic and stockwater purposes.

For your convenience, a copy of the USGS map was made with the approximate location of the well noted as the point of diversion and place of use. If you disagree with the map, please make the necessary changes.

Upon completion of the date of priority (item #1) and signing the claim in front of a notary, please return the claim to this office along with the \$30.00 Filing fee.

Please feel free to contact this office for any additional assistance that may be necessary.

Sincerely,

KEITH C. WILSON
