CLAIM TO A WATER RIGHT

Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

Dear Mr. Inglet:

Enclosed is a new claim based on the one you submitted. On line 1 you will need to provide a month and day from 1954.

On line 3 I included stockwater since you had it listed on line 6b. Also the map you draw covered two $\frac{1}{4}$ of $\frac{1}{4}$ but line 6A shows only 25 acres in the SESE.

Please complete the new claim so line 6a and the map are consistent. Also you will have to sign and have the new claim notarized. No additional fee is necessary.

Sincerely,

HAROLD W. JONES
Sr. Resource Agent

Dear Mr. Inglet:

I received your last claim and I found we still need to make some corrections. I have enclosed a new claim and a work copy of your previous one. I feel the best tactic is for you to call me and we can go through this together.

On the work copy in area 6 you will note that 70 acres is listed. The correct quarter of quarter must be listed. This would take at least two $\frac{1}{4}$ of $\frac{1}{4}$ since a single $\frac{1}{4}$ of $\frac{1}{4}$ can only have 40 acres in it. Also the x's you put indicate stockwater in all 4 quarters of the SE 160 acres.

In any event I think we can resolve this over the phone.

Sincerely,

HAROLD W. JONES

Dear Mr. Inglet:

On June 22, 1983 the Department of Water Resources received your claim to a water right filed in accordance with Section 42-242 of the Idaho Code requiring all beneficial use water rights be recorded with the state. This claim was reviewed by our staff and subsequently returned on November 2, 1983 with a cover letter outlining the modifications you needed to make for the claim to be in form to process.

The fee at the time you submitted your claim was \$30.00. However, starting July 1, 1983 the statutory fee for filing a claim was substantially increased to \$100.00.

Since your claim was originally received when the lower fee was in effect, we will accept your claim at that rate provided it has been corrected and returned no later than January 3, 1984. A returned claim postmarked later than January 3, 1984 will be assessed the current filing fee of \$100.00.

Staff at our office will be glad to answer questions or assist you in properly completing the claim form.

Respectfully submitted,

ERNEST CARLSEN

I Melvin S. Roberts writing
in behalf of Norman Roberts who is my
father, object to the claims which have
been filed on the unnamed Drain tributary to
Boor River.

Diversion Pt. stated to be SESE ~~Sec.~~
Sec. 17 T 16 S R 39 E

To be used for: Irrigation (0.50 CFS)
and Stockwater (0.03 CFS)

In: NESE SESE Sec. 17 T 16 S R 39 E
for 40 Acres

Reason of objection

We use this water for irrigation
at different times throughout the summer
months. The last time we used the
water was the summer of 1982. The
stream was not used in the summer of
1983 because of the terrific amount of
rain fall, but on an average year our
crops would suffer significantly.
