DEVICE REQUIREMENT FOR PERMIT NO. 13-7106 }

ORDER

WHEREAS, the above numbered permit was approved with the condition that a measuring device of a type approved by the Department be permanently installed and maintained as part of the diverting works; and,

WHEREAS, on July 1, 1978, the Department adopted a new water measurement condition which states: "An access port or other device as specified by the Department shall be installed by the permit holder to provide for the installation of measuring equipment and the determination of the rate of diversion by the Department"; and,

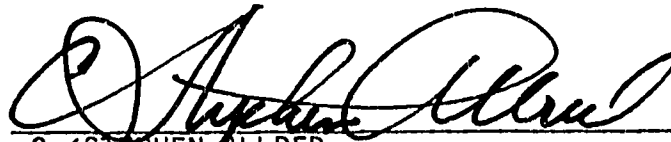

WHEREAS, the former condition required the permit holder to purchase and install a measuring device or hire a professional engineer to certify the rate of diversion; and,

WHEREAS, the measuring device condition effective July 1, 1978, requires less capital expenditure by the permit holder; and,

WHEREAS, to be equitable to holders of permits issued prior to July 1, 1978, the new condition should be retroactive;

NOW THEREFORE, it is hereby ordered that the condition of approval of this permit related to water measurement is hereby changed as follows: "The permit holder shall either install a measuring device or provide a certified measurement by a professional engineer or install an access port or other device as specified by the Department".

Dear Sirs,

A representative of this Department made an examination of the works covered by your Permit No. 13-7106 on August 20, 1980, and has found the following:

Amount of water that can be recognized as beneficially used under
Idaho law: .39 cfs Source: groundwater

The maximum quantity diverted shall not exceed N/A acre feet
per year.

Point of diversion: NESE Section 15, Twp 15S, Rge 38E

Beneficial use: Municipal use within the city limits of Dayton

Priority date established: April 23, 1975

In order for the Department to issue the above license, it will be necessary for you to amend the permit to correspond with the findings of the field examiner. We are enclosing a partially completed amendment form for your use in this matter.

Please sign the amendment application and return it to this office along with a \$20.00 filing fee within 30 days in order that we might issue your license as set forth above. If you do not concur with these findings or have any questions, please contact us within the 30-day period.

Sincerely,

Jim Johnson
Water Rights Supervisor
