RE: Permit No. 13-07518

Dear Permit Holder:

Returned is the proof of beneficial use you submitted in connection with the above referenced permit. Unfortunately, it can not be accepted as filed.

The Department has determined, from pertinent sections of the Idaho Code, that the permit holder must meet two requirements in order to be exempt from the license exam fee. They are:

1. The water right must use a groundwater (well) source, and;
2. The rate of diversion must be .04 cfs or 4.0 AF or less.

As you can see, you do not meet requirement #1 since you use a spring (surface) for your source. Therefore, a license examination fee of \$50.00 applies to the permit.

Please return the original proof form and license examination fee within thirty (30) days of receipt of this letter.

If you have any questions or if I can be of any further assistance, please feel to contact me.

Sincerely,

JULIE L. YARBROUGH
Senior Secretary
