Dear Mr. Thomas:

Thank you for sending us your claim to a water right. Unfortunately, we find it necessary to return the claim and your check No. 92-86 for the amount of \$10.00 since there is some additional information required before processing your claim.

For Item No. 4, it would be to your benefit to state both the month and year water was first put to use. For the plat map under Item 8, would you please label and identify both the location of the well and the place of use. The information contained on the front of the claim indicates the place of use to be different than the location of the well.

Should you have any questions concerning the above requested information, please feel free to contact me at this office.

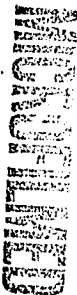

Respectfully submitted,
