RE: Claim to a Water Right No. 15-4047

John A. Servoss
Malad,
Idaho 83252

Dear Mr. Servoss:

The initial processing of your claims to water rights is now completed and normally they would all be forwarded to the State Office at this time. However, we are only forwarding two of them, the third claim contained an error on the legal description for the place of use. We have taken the liberty of retyping this claim to reflect a change from township 15S to 14S in item #6, and have enclosed it for your review and notarized signature. Since the claim will be ready to forward to the State Office, provided the information is correct, it is hoped you can give this matter your immediate attention.

Respectfully submitted,
