Mr. Hobbs:

I have received from our Boise office a receipt numbered T021881 for a Dept. of Lands claim to a water right. Our Boise office seems to have misplaced the claim itself as no original was ever sent to me. I then got a copy of the claim from Jim Wood of the Dept. of Lands, Idaho Falls office. However, this copy is not signed or notarized.

I am sending you a copy of this claim so that it can be signed and notarized and then returned to me for processing. If you have any questions please give me a call.

RE: Application No. 15-04198

Dear Water Right Applicant:

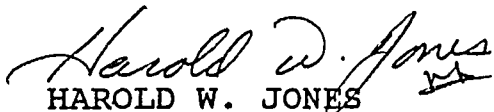

The Department of Water Resources acknowledges receipt of your water right permit. This office is currently in the process of advertising the application in the Idaho Enterprise on 1-16 & 23-1992. The advertisement will be published for two consecutive weeks, and a period of ten days following the second publication will be allowed for the submittal of protests.

If the application is protested, you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our state office in about five weeks. State office personnel will conduct a complete review prior to final processing of the application and will notify you of the outcome of this review. When a permit is issued, you will be sent a copy. A typical processing time for an unprotested application is about eight weeks.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

HAROLD W. JONES
