ORDER

Dear Sirs;

Could you check on the status of a waterfiling (or claim) on the Brush Canyon water in Oneida County. This canyon is about three miles north of the Utah Border near Goodruff Idaho. I filed on this in either 1971 or 72. I have not heard any more concerning it. Will that filing meet the requirements of the new water filing law? Will this filing protect me from someone taking the water from the source or the Brush Canyon springs?

Please advise;
