Gentlemen:

Re: See attached list of water right permit numbers

This office acknowledges receipt of the statement of beneficial use postcards submitted for your water right permits.

Before a license can be issued, field examinations must be made by a representative of this department. We cannot tell just when these examinations will be made, but our examiner will try to contact one of your representatives before he makes the examination so that he may show him the system.

If you have any questions regarding the field examinations, please contact our Eastern Regional office at 525-7161.

Sincerely,

RITA I. FLECK
Sr. Secretary
