NOTICE OF PENDING ORDER VOIDING PERMIT

Dear Permit Holder(s):

The development proposed in Permit to Appropriate Water No. 15-7100 was examined in 1987 by Department of Water Resources personnel. At the time of the examination, the Department personnel discovered that the actual place of use differed from the place of use proposed in the permit.

Enclosed is a completed application for amendment of your permit which reflects the correct point of diversion. You should sign the application for amendment, and return it to the State Office of the Department accompanied by a \$20 filing fee within thirty (30) days of the date of this letter.

Should you fail or refuse to submit the application for amendment within thirty (30) days, the Department will act to void your permit. The grounds for voiding the permit are set forth in Section 42-219, Idaho Code, where it states that if the Department finds "that the applicant has not fully complied with the law and the conditions of
