Dear Mr. Commons:

Returned herewith are the Forms 36 and 11 we received and blank Forms 36. The land list under 5, on Form 36, is not clearly defined and there is at least one 40-acre subdivision included which is not on our record of the permit, the NE $\frac{1}{4}$ NW $\frac{1}{4}$, Sec. 22. It is not necessary to show a subdivision of a 40-acres, however you can if you desire. There must be a comma between each 40-acre or larger subdivision. Below is shown the land list shown on our record.

SE $\frac{1}{4}$ NE $\frac{1}{4}$, E $\frac{1}{2}$ SE $\frac{1}{4}$, Sec. 22; SW $\frac{1}{4}$ NW $\frac{1}{4}$, SW $\frac{1}{4}$, Sec. 23; NW $\frac{1}{4}$, SW $\frac{1}{4}$ NE $\frac{1}{4}$, Sec. 26; E $\frac{1}{2}$ NE $\frac{1}{4}$, Sec. 27, all in T. 13 S., R. 31 E., B. M.

You can include other land in the list, however there must be an amendment to the land list on the permit.

Kindly return corrected two Forms 36 and Form 11 at your earliest convenience so the date for making the proofs need not be changed.

Very truly yours,

GEO. N. CARTER

Dear Mr. Cameron:

The principal difference between the two permits is in the date of priority which is the date shown on the back of the permit, when the application was received in this office.

The State Statutes provide that the applicant should be notified if the proof of completion of work has not been made as specified, allowing a certain length of time in which to show cause why the permit should not be cancelled. If cause is not shown, the permit is cancelled, and later micro-filmed and the file destroyed to clear our files.
