STATE OF IDAHO
DEPARTMENT OF WATER ADMINISTRATION

CLAIM TO A WATER RIGHT

Established by Diversion and Application to Beneficial Use

Under the provisions of Section 42-225a, Idaho Code, a person may file a claim to a right to use water which has been established by diversion and application to beneficial use. **The filing of this claim does not confirm the water right but will serve for information purposes only.** It may, however, become the basis for future adjudication of the water right by the Court.

(Please refer to the instructions on the back of this form)

1. Name of claimant United States of America Forest Service
post office address 324-25th St. Ogden, Utah 84401
2. The point of diversion is in NE $\frac{1}{4}$ of NE $\frac{1}{4}$ Section 20 Township 15S
Range 33E B.M. located on Curlew National Grassland Groundwater
(name of source)
tributary to Deep Creek in Oneida County.

3. Dates of priority claimed: list the priority for each separate quantity that you claim. Priority dates should be based upon the earliest diversion of the water which has resulted in continued beneficial use since that time. If there has been an interval of five years or greater when the water was not beneficially used for the same purpose as originally appropriated, the priority that you claim should date from the time that the water was again beneficially applied following the period of non-use.

a. Date of priority claimed:

1957 amount: .01 c.f.s. or _____ acre feet
_____ amount: _____ c.f.s. or _____ acre feet
_____ amount: _____ c.f.s. or _____ acre feet
Total claimed _____ c.f.s. or _____ acre feet.

b. Explain the purpose for which the water has been used and the time during the year when you have used the right claimed:

use stock water period of use from 4/1 to 12/31 (both dates inclusive)
use _____ period of use from _____ to _____ (both dates inclusive)
use _____ period of use from _____ to _____ (both dates inclusive)
use _____ period of use from _____ to _____ (both dates inclusive).

4. Description of diverting works:

- a. Surface water diversion dam and/or headgate: material is composed of _____
_____ ; length is _____ feet; height is _____ feet;
width at bottom is _____ feet; width at top is _____ feet; explain any increase in diversion capacity since structure was first built, giving dates and estimated capacities if known _____

- b. Underground water diverting works: is well flowing or pumped pumped ; depth of well is 200 feet; diameter of well is 6 inches; type of pump is 3" cylinder tower type motor powered capacity of pump is 6 g.p.m.; name and address of well driller is _____
_____ ;

17 4010

attach well logs if available; has there been any change in pump or motor since well was first completed _____; if so, give dates and explain _____

- c. Conveying works: length of ditch to place of use is _____ feet; width of ditch at top is _____ feet; width of bottom of ditch is _____ feet; depth of water is _____ feet; grade of ditch per 1000 feet is _____ feet; material through which ditch passes is _____; maximum length of pipe line to first place of use is _____ feet; diameter of pipe line is _____ inches; type of pipe _____; grade of pipe per 1000 feet is _____.
- Please explain any changes or increase in size of conveying system since water was first appropriated, giving date and dimensions if possible _____

- d. If water is stored: name of reservoir _____;
total capacity of reservoir is _____ acre feet; active capacity of reservoir is _____ acre feet;
year construction commenced _____; year completed _____; date first used _____
period of storage is from _____ to _____; is reservoir drained each year _____;
is reservoir on or off stream _____ explain _____

if feeder canal is used give maximum carrying capacity_____c.f.s.; if reservoir is off stream, describe location of reservoir by 40-acre subdivisions_____

has there been any enlargement of the reservoir since it was first built_____, if so, give dates and describe_____

5. a. Where water is used for irrigation, describe area irrigated by 40-acre subdivisions and give total acres:

[illegible]

Total number of acres to be irrigated _____

Explain any significant increase in area irrigated since first use, give dates and acreages if known _____

6. Where water is used for stock watering, give number of each kind of stock watered 700 Hereford Cattle

8. Where water is used for other purposes not above enumerated, give the nature of use, the extent of use, and any details regarding the initiation of the right or subsequent later expansion. Be as specific as possible, giving dates and quantities.

Gentlemen:

Enclosed you will find a legal notice which we wish to have published once a week for two consecutive weekly issues of your newspaper. We have inserted the publication dates allowing ample time for you to submit us a galley proof for our review before publication.

After sending us a galley proof, proceed with the publication on the dates we have inserted assuming the notice is correct. If we have any corrections, we will notify you before the first publication date. If you cannot publish the notice on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to the Department along with the publication bill. In order to receive payment, the following certification must appear on the bill:

"I hereby certify that the foregoing account is just and correct, that the amount claimed is legally due, after allowing all just credits, and that no part of the same has been paid."

(signature of claimant)

Very truly yours,

Donald W. McEldowney
Appropriation Supervisor

Gentlemen:

The Department of Water Administration has completed the processing of your claims to a water right and no further action is authorized under Sections 42-225a and 42-225b, Idaho Code. Your claims will be retained in our files and will be available at any time for use by you or the court.

As you are aware, the filing of your claims does not, in itself, guarantee you a water right; it only records and preserves the information and the evidence which you included in your claims.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included in your claim files, you may have that information or evidence added at any time. Please refer to your claim numbers when corresponding with this office.

We are enclosing, for your records, a copy of your claims. If you have any questions, or if we can be of further assistance, please feel free to call upon us.

Very truly yours,

Donald W. McEldowney
Appropriation Supervisor
