- b. Who owns the land to be irrigated or place of use Bureau of Land Management
- c. If the property is owned by a person other than the applicant, describe the arrangement enabling the applicant to make this filing _____

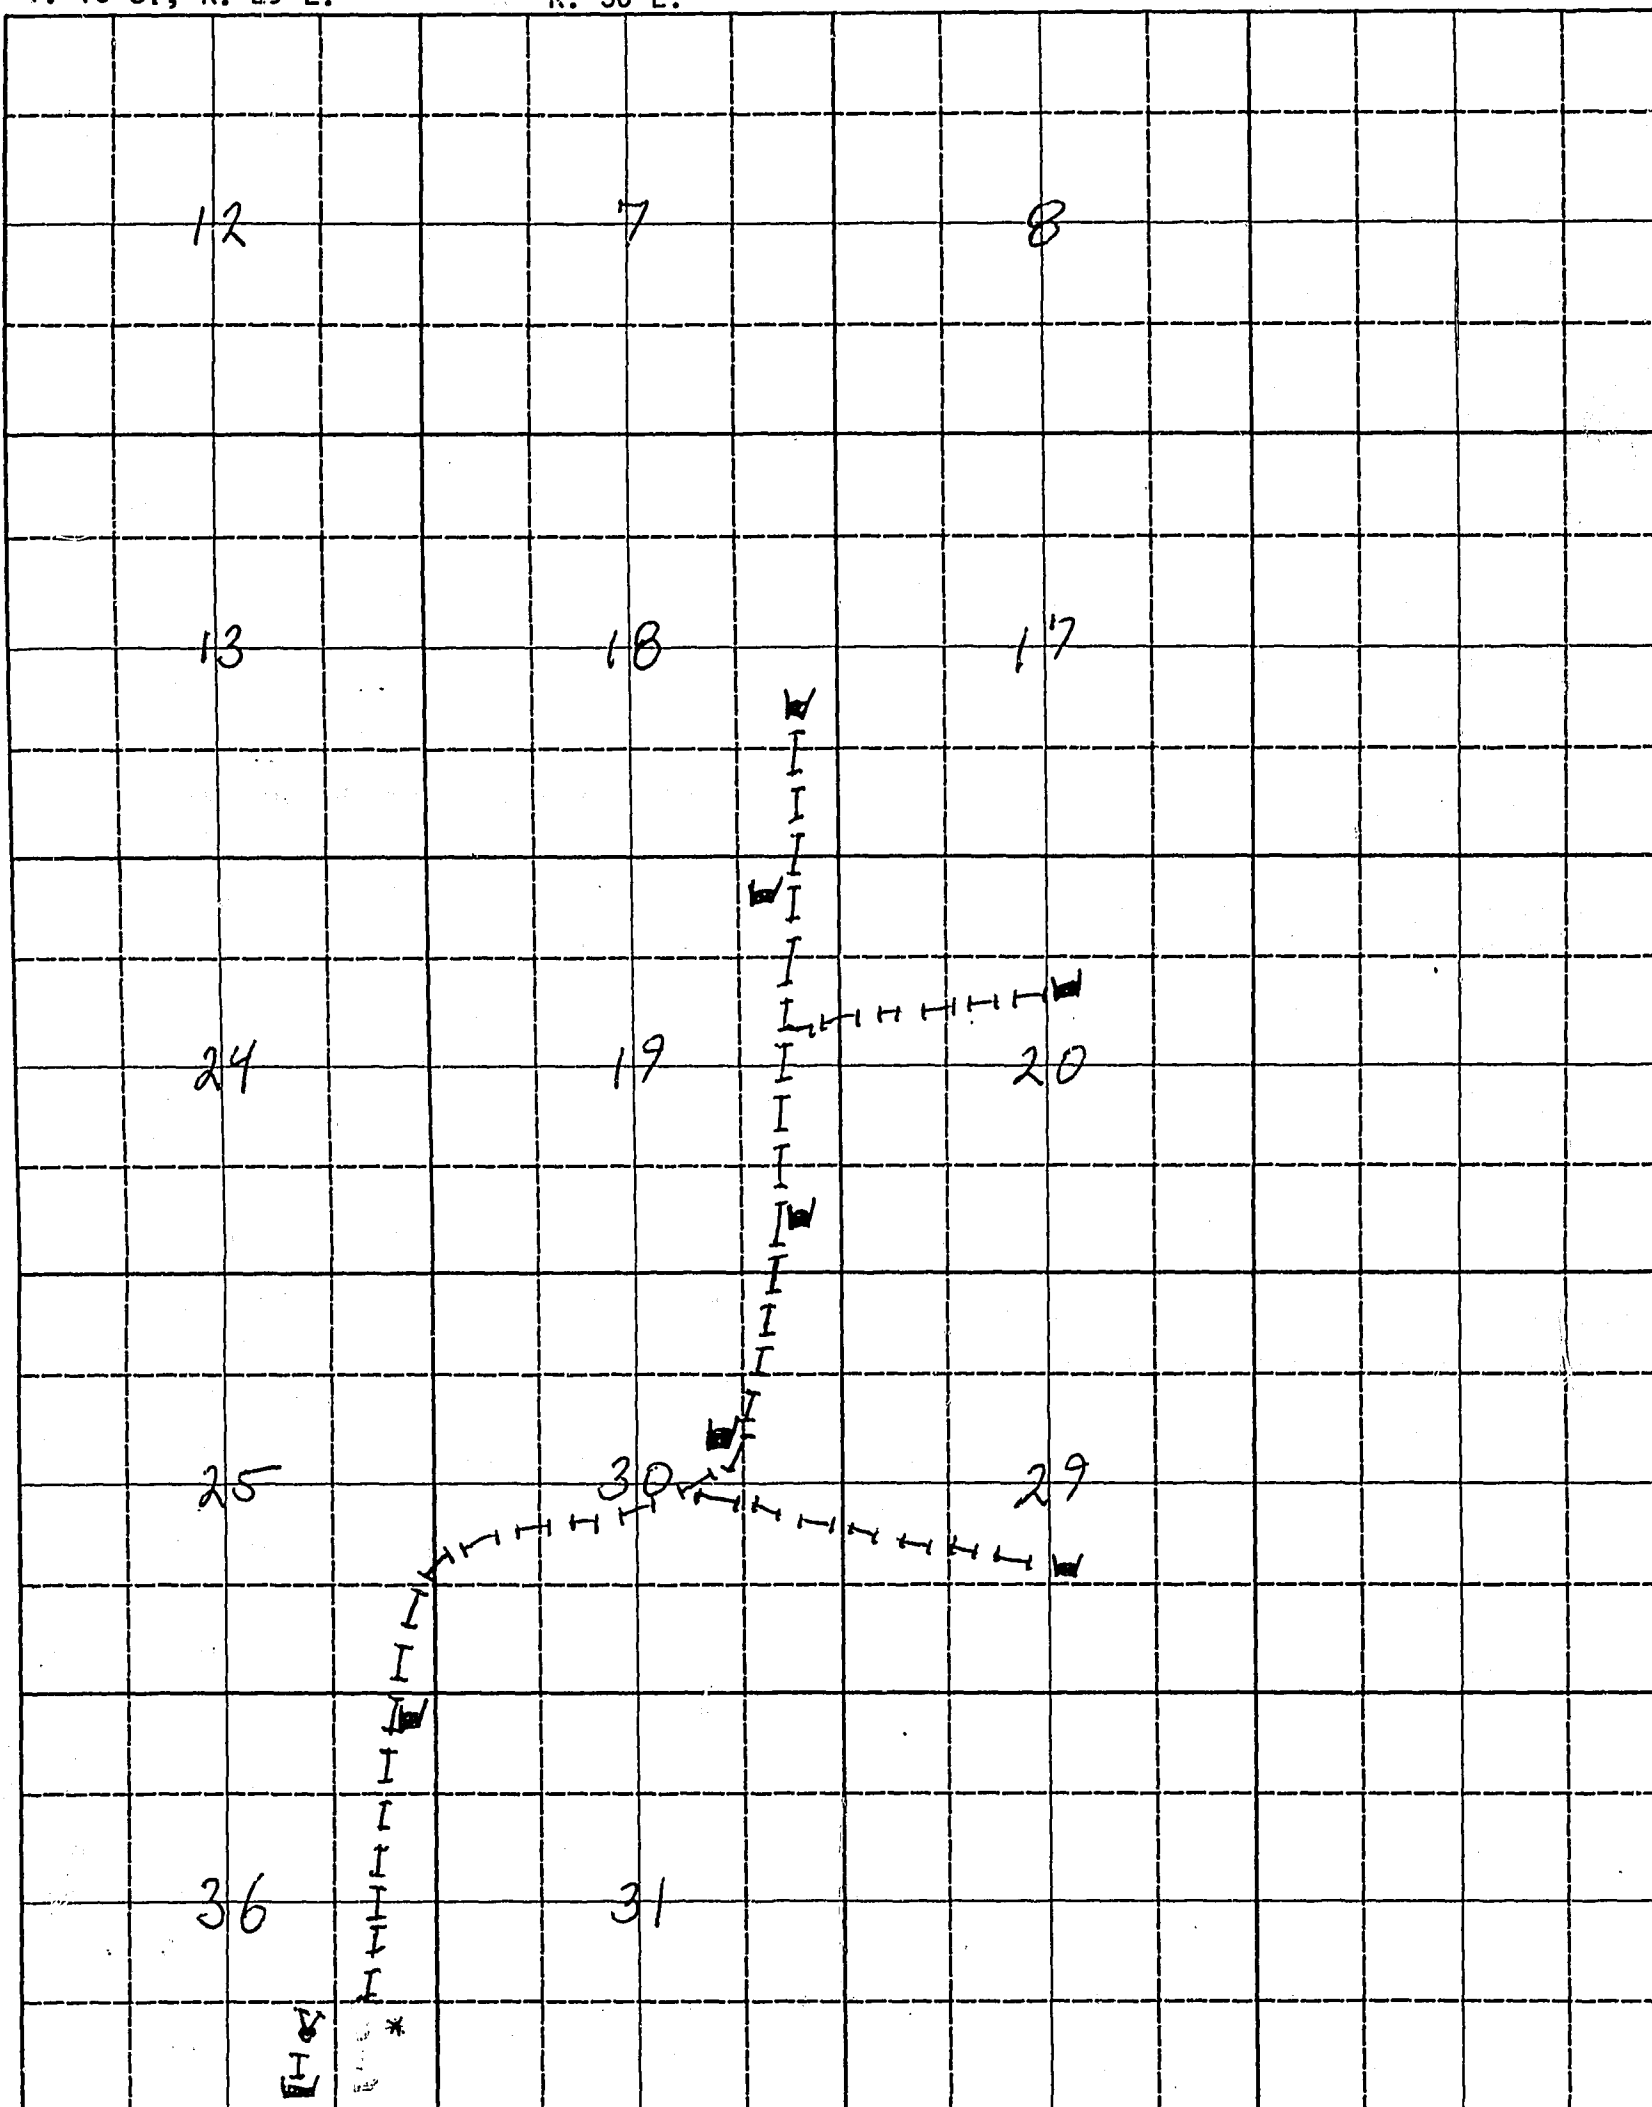

10. Remarks This well was drilled sometime in the 1920's by the Duvall Company to supply water to operating mines on Black Pine Mt. It was abandoned in 1950 when the mine closed. The well was then redeveloped in 1973 to support the grazing system and wildlife of the area. Water from the well has been used for these purposes since then.

Since the well was drilled in the 20's by another party we don't have very good information on specifics but believe the well to be between 150'-200' deep.

11. Map of proposed project: show clearly the proposed point of diversion, place of use, section number, township and range number.
