RE: Incorrect or Not Acceptable Form

Dear Mr. Bennett:

The Department of Water Resources, both the Coeur D Alene and Boise office, has received the copy of your Application for Permit with changes to your address made on them. If your intention was to only change the address on your license, we will need a Change of Address form filled out. (enclosed)

But if you were meaning to file an Adjudication claim based on your license, please see the enclosed Notice of Claim to a Water Right. Verify all the information on it is correct, sign and date it and return it to the Coeur D Alene office with the correct filing fees. If both homes use a combined total of less than 13,000 gallons of water per day for *De Minimis* Domestic, the fee will be \$51.00. If the combined total is more than 13,000 gallons, then the fee will be \$59.00. If there are any changes that need to be made to the Claim, cross out what you want to change, write in the new information and initial the changes.

If you have any questions or concerns, please contact our Adjudication staff Mon-Fri, 8am to 5pm.

Sincerely,
