Transfer # 84810

RECEIVED

DEC 10 2024

DEPT. OF WATER RESOURCES
EASTERN REGION

To whom this may concern,

The Idaho Irrigation District would like to rescind our Water Transfer #84810 as Mr. Mulberry was not able to get permission from the City of Idaho Falls or FERC to put a syphon in Gem Lake for Irrigation to his land. Mr. Mulberry will continue to use his original ditch for irrigation.

Thank you,

Alan Kelsch

Chairman, Idaho Irrigation District
