The terms of this Amendment have been mutually negotiated with each party having the opportunity to seek the advice of legal counsel and shall not be construed against any party. The headings in this Amendment are inserted solely for the purpose of convenience and shall not affect the interpretation of the provisions hereof. If any portion of this Amendment is held to be invalid by any court of competent jurisdiction, such ruling shall not affect the remaining terms hereof unless and to the extent it includes a specific determination that the fundamental purposes of this Amendment are thereby significantly impaired. All sums referred to in this Amendment shall be calculated by and payable in the lawful currency of the United States.

5. Entire Agreement. No amendments, variations, waivers, modifications or changes to this Amendment shall be effective unless in writing and signed by the Mortgagee and Mortgagor subsequent to the date hereof.

6. Counterparts. This Amendment may be executed in two or more counterparts, all of which shall constitute but one and the same instrument. The signature pages of exact copies of this Amendment may be attached to one copy to form one complete document.

(Signatures appear on the following page)

IN WITNESS WHEREOF, Mortgagor and Mortgagee have caused this Amendment to be duly executed as of the day and year first written above.

As used herein, "**Borrower**" shall mean Debtor less and excluding James Aaron Nederend. Mortgagee has agreed to make its Loan No. 203270 (the "**203270 Loan**") and together with the 196627 Loan, the "**Loans**") to Borrower, which loan is evidenced by that certain Promissory Note dated as of even date herewith executed by Borrower to the order of Mortgagee in the original principal amount of Twelve Million and 00/100 Dollars (\$12,000,000.00) (the "**203270 Note**"). The final payment of principal and interest pursuant to the 203270 Note will be due on April 5, 2044.

C. Mortgagor and Mortgagee desire to amend the Mortgage to provide that the Mortgage secures the obligations of Borrower under the 203270 Note and for such other matters as set forth herein.

NOW THEREFORE, in consideration of the premises, the mutual covenants and agreements hereinafter set forth and other good and valuable consideration, the receipt of which are hereby acknowledged by the parties hereto, it is agreed as follows:

1. Confirmation of Loan. The 196627 Note and the Mortgage are hereby confirmed by Mortgagor as being in full force and effect and Grantor acknowledges that as of the date hereof, it has no defenses or offsets to any of its obligations thereunder and that Mortgagee has performed all of its obligations under the 196627 Note and the Mortgage to this date.

2. Amendment to Mortgage. The Mortgage is hereby amended as follows, effective as of the date hereof:

(a) Definition of Note. The definition of the "Note" means, individually and collectively, the 196627 Note and the 203270 Note. All references in the Mortgage to the Note shall hereafter refer to the 196627 Note and the 203270 Note, individually and collectively.

(b) Definition of Indebtedness. The definition of "Indebtedness" is hereby revised to include the principal, interest, and other amounts due under the 203270 Note.

(c) Definition of Loan Documents. The definition of "Loan Documents" is hereby revised to include the 203270 Note and all other agreements and instruments evidencing and or securing the 203270 Loan.

(d) Definition of Loans. The definition of "Loan" or "Loans" shall mean the 199627 Loan and the 203270 Loan, individually and collectively.

(e) Grant. To secure repayment of the indebtedness evidenced by the 203270 Note, in addition to the other Indebtedness, Mortgagor irrevocably mortgages, grants, assigns, transfers and conveys to Mortgagee, and to its successors and assigns forever under the terms and conditions of the Mortgage, with right of entry and possession, all of Mortgagor's estate, right, title and interest which Mortgagor now has or may later acquires in the Property to secure the repayment of the 203270 Note, any increases, modifications, renewals, extensions of the 203270 Note, any substitutions for the 203270 Note, as well as the performance of Mortgagor's obligations arising under the 203270 Note and the other 203270 Loan Documents. In addition, Mortgagor hereby grants to Mortgagee a security interest in the Equipment, Improvements, Income, Water Rights, Dairy Products, Receivables, Intangibles and all other Property (as defined in the Mortgage) as security for and in support of the 203270 Loan.

(f) Event of Default. The Mortgage is hereby amended to provide, that in addition to the events identified as "events of default" under Section 12 of the Mortgage, each of the following shall constitute an event of default under the Mortgage, entitling Mortgagee to exercise all remedies provided in the Mortgage or otherwise available:

(a) Failure of Borrower to pay, or cause to be paid, any payment or amount (including any prepayment premium or late charge) under the 203270 Notes as and when due.

(g) Pari Passu Nature of Loans. The following Section 12.7 is hereby added to the Mortgage:

12.7 Pari Passu Nature of Loans. As between the Loans, so long as there exists no event of default, nor any event which, but for the giving and receiving of notice, would become an event of default, then (1) any voluntary unscheduled principal payments shall be allocated to the foregoing Loans as directed by the Borrower; and (2) any mandatory,

unscheduled payment of principal shall be applied pari passu to the 203270 Loan and 196627 Loan. In all other respects, regardless of whether an Event of Default has occurred, the 203270 Loan and 196627 Loan shall be pari passu as to payment and lien priority.

3. Reaffirmation. Except as expressly set forth herein, the Mortgage shall remain unmodified and in full force and effect, and Mortgagor hereby affirms and reaffirms, as applicable, each and every term and provision of the Mortgage, as originally set forth therein, as amended hereby.

4. Construction. This Amendment shall be construed in accordance with the law of the State of Idaho (excluding choice-of-law principles). The terms of this Amendment have been mutually negotiated with each party having the opportunity to seek the advice of legal counsel and shall not be construed against any party. The headings in this Amendment are inserted solely for the purpose of convenience and shall not affect the interpretation of the provisions hereof. If any portion of this Amendment is held to be invalid by any court of competent jurisdiction, such ruling shall not affect the remaining terms hereof unless and to the extent it includes a specific determination that the fundamental purposes of this Amendment are thereby significantly impaired. All sums referred to in this Amendment shall be calculated by and payable in the lawful currency of the United States.

5. Entire Agreement. No amendments, variations, waivers, modifications or changes to this Amendment shall be effective unless in writing and signed by the Mortgagee and Mortgagor subsequent to the date hereof.

6. Counterparts. This Amendment may be executed in two or more counterparts, all of which shall constitute but one and the same instrument. The signature pages of exact copies of this Amendment may be attached to one copy to form one complete document.

(Signatures appear on the following page)

IN WITNESS WHEREOF, Mortgagor and Mortgagee have caused this Amendment to be duly executed as of the day and year first written above.

RE: Notice of Security Interest in Water Right Nos: 2-7053, 57-2341, 57-7045,
57-10655, 57-10545

Dear Interested Parties:

The Idaho Department of Water Resources (Department) received three Notices of Security Interest (Notices) from you on November 25, 2024 (second filing) for the above referenced water rights. The Notices could not be processed because the properties identified in the deeds and the mortgage instrument do not pertain to the water rights listed on the Notices.

Additionally, if there are different water rights associated with the properties named in the mortgage document for which you wish to be added as a security interest, we will need the original mortgage document and each of the amendments to consider the record to be complete. There are tools on the department's website where you can investigate individual water right locations and ownerships. You may find these tools helpful should you choose to amend your Notices.

If it is your intent to be listed as a security interest in the water *shares* listed as Exhibit B of the mortgage document, you will need to take this matter up with Gem Irrigation District. The water *shares* listed in Exhibit B are derived from the water rights owned by the Gem Irrigation District. Please see the Department's website for contact information and to gain an understanding of this type of water use, <https://idwr.idaho.gov/water-rights/irrigation-organizations/>.

The Department is returning your Notices and the attachments. A refund of \$125.00 has been requested and will be mailed to Pioneer Title Company of Payette County under separate cover from the Idaho State Controller's Office.

Please contact me if you desire further assistance from the Department, (208) 605-4631.

RE: Refund: Notice of Security Interest Returned

Metlife Real Estate Lending submitted a Notice of Security Interest for five water rights on November 23, 2024, \$125. Their supporting documents (deeds and mortgage document) do not pertain to the water rights they listed. I have left two voicemails with their representative in an attempt to resolve this matter but have not received a call back.

This is their second attempt at filing the correct paperwork. After their first filing IDWR staff sent a deficiency letter to the applicant, August 5, 2024, and subsequently had a phone conversation with their representative. That submission resulted in a refund request to the Payee, Stoel Rives, on August 24, 2024.

Please issue a refund of \$125 to:

Dear Interested Parties:

The Idaho Department of Water Resources (Department) received a Notice of Security Interest (Notice) from you on June 12, 2024 for the above referenced water rights. The Notice could not be processed because there was missing information and filing fees that were still needed.

On August 5, 2024, the Department requested the required information and additional fees from you. As of the date of this letter, the Department has not received the required information and additional fees.

The Department is returning your Notice of Security Interest and the attachments. A refund of \$75.00 has been requested and will be mailed to the payer, Stoel Rives under separate cover from the Idaho State Controller's Office. RE: Notice of Security Interest for Water Right No(s): 2-7053, 57-10545, 57-2341, 57-7045, 57-10655

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Security Interest (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- A filing fee of \$25 *per water right* is required. You have filed a notice of Security Interest form for five (5) total water rights, and you have only paid for 3 of them (\$75.00). You still owe \$50.00 for a total filing fee of \$125.00.
- Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. Our review of your Notice indicates that a Notice of Change in Water Right Ownership (Ownership Change) must be completed before we can process your request. The current water right owner listed on your Notice is Hans Nederend Jr., but our records show the current water right owner for WR # 2-7053 is Hans Nederend Jr. Family Trust. Hans Nederend Jr. will need to submit a complete Notice of Change in Water Right Ownership to this office to show that he is the current owner of the water right and be added as the current owner.
- The document you attached is a second amendment to the mortgage. Please send us the original mortgage document and first amendment to the mortgage as a reference which should include the list of water rights by number and/or the legal description of the property matching the place of use of the water rights.

I have enclosed a copy of the water rights proof reports and the original Security Interest Notice Form for your reference.

Because the Department cannot process the Notice without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary documentation and sufficient payment within 30 days, we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your

address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact the office at 1(208) 334-2190.

Sincerely,
